TRIVETT'S SUPPLEMENTARY LIST

(In addition to our 1931 general catalogue)

1931

NOVELTIES *and* RARE ITEMS

NOT LISTED IN OUR GENERAL SEED CATALOGUE

ANTIRRHINUM—Happiness

(See page 3)

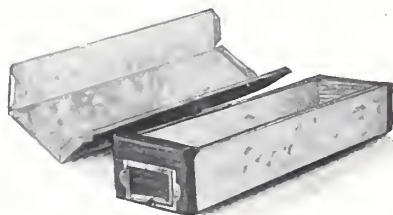

TRIVETT'S TESTED SEEDS
INC.

Seed and Bulb Specialists

59 AND 61 PARK PLACE (Telephone BARCLAY 7-5334) NEW YORK CITY

HOW TRIVETT'S TESTED SEEDS ARE STORED

All our flower and vegetable seeds are stored and preserved in steel drawers, especially constructed for this purpose; the bodies are formed from one piece of galvanized sheet steel and are housed in steel-lined cabinets.

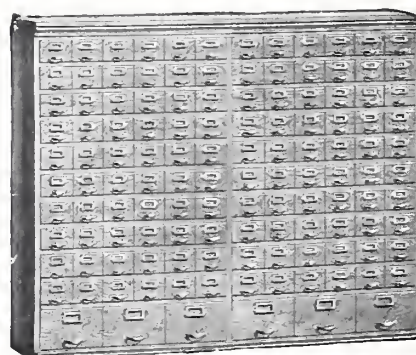

Steel seed drawer, showing the body cut from one piece of steel

The danger of mixing is reduced to a minimum, the seed is protected from dust, insects, mice, etc. Every up-to-date method is employed by us to assure the proper storing and preserving of seed during the selling season.

TRIVETT'S TESTED SEEDS

are tested for germinating powers, in electrically heated testing machines, at an even temperature and under moisture conditions similar to those of the average greenhouse or hotbed.

Trivett's Tested Seeds are also tested for purity, they will be found exceptionally clean and free from grit and foreign material.

One of the steel lined cabinets in which the special seed drawers are housed

One of our electrically heated seed testing machines

TESTED and GUARANTEED

Contrary to the general disclaimer of the seed trade, *Trivett's Seeds and Bulbs* are guaranteed. *For particulars, see General Catalogue.*

Trivett's "*Best by Test*" Flower and Vegetable seeds are put up by us in packets of generous over-size quantities, stamped with the date, and sealed with our trade-mark.

For people who demand the best

TRIVETT'S TESTED SEEDS

INC.

Seed and Bulb Specialists

59 and 61 PARK PLACE (Tel. Barclay 7-5334) NEW YORK CITY

THIS SUPPLEMENTARY CATALOGUE is issued by us in addition to our General Catalogue, and contains the best of the recent Novelties, also many choice, rare items which have not yet found their place in our General Catalogue. *A copy of our General Catalogue will be supplied upon request.*

OLD VARIETIES of many flowers and vegetables reproduced year after year through a period of time 'run out,' become exhausted and more susceptible to diseases and insect attacks than the more vigorous new and improved strains. *We are constantly on the watch for new and improved strains to offer to our customers.*

ORIGINATOR'S SEEDS are supplied by us in every instance, wherever possible. We firmly believe the original source is the best; no one can possibly know better than the originator the real merits of his creation, and how best to preserve and reproduce them.

IN ADDITION to supplying only the highest grades of Seeds and Bulbs, we have now perfected a method of treating many seeds and bulbs with a special preparation of our own, as a preventive against seed and bulb carried diseases. *All such items bear our red seal.*

TREATED ⊕ SEEDS — TREATED ⊕ BULBS

ALL ITEMS marked **R** in this catalogue are especially suitable for rock and alpine gardens.

TRIVETT'S TESTED SEEDS are put up by us in generous oversize packets, stamped with the date, and sealed with our trade mark.

TRIVETT'S TESTED SEEDS, INC.

ANCHUSA—Lissadell

T.T.S. ANEMONE—Creagh Castle Improved

ANEMONE

Perennial.

Creagh Castle Improved. Greatly enlarged blooms on long strong stems in a wide range of rich colors. Exceptionally suitable for greenhouse culture as a choice cut flower. Pkt. 50c.

For greenhouse cut flowers or outdoors.

Alpina. The strong growing, beautiful mountain species known to every climber of the Swiss Alps. The flowers are mostly white tinted with blue, but vary somewhat from seed. Height about 15 inches. Oz. \$3.00 ¼ oz. \$1.00 Pkt. 35c.

THIS SIGN  DENOTES THOSE ITEMS WHICH ARE SUITABLE FOR ROCKERIES AND ALPINE GARDENS

ACACIA

Greenhouse flowering shrubs, ornamental and cutting.

Baileyana. (*Cootomundra Wattle*.) Very free flowering golden yellow. Height about 3 feet. Oz. \$2.00 ¼ oz. 60c. Pkt. 25c.

Lophantha. Handsome greenhouse shrub, allied to the Mimosa. Flowers yellow, foliage finely cut. Height 6 feet. Oz. \$1.00 ¼ oz. 30c. Pkt. 10c.

ACHILLEA—Cerise Queen

Perennial. For hardy borders and cutting. Height 2 feet.

Beautiful new variety, dark cherry red. Pkt. 75c.

ACONITUM—Spark's Variety

Perennial. For hardy borders and cutting. Height 5 feet.

Fine, tall growing sort with very dark blue flowers. Pkt. 50c.

ADONIS ALEPPICA

Annual. For display and cutting. Height 20 inches.

The plant is pyramidal in habit, producing shining, deep blood red flowers of greatest brilliance, measuring 3 inches across, and with vivid green feathered foliage. Pkt. 50c.

AGERATUM

Annual. For edging, bedding and general display.

Fraseri. Deep amethyst blue, compact habit, early flowering.

Oz. \$3.75 ¼ oz. \$1.00 Pkt. 35c.

Lasseauxi. Exceptional for cut flowers. Mauve pink.

Oz. \$3.75 ¼ oz. \$1.00 Pkt. 35c.

Rose Pearl. Dwarf for edging, lilac rose, deeper center. (Pkts. only) Pkt. 50c.

ALYSSUM

Annual. For edging, bedding and general display.

 **Lilac Queen.** Delicate lavender growing about 8 in. high. Oz. \$1.50 ¼ oz. 50c. Pkt. 15c.

 **Primrose Queen.** Cream or straw color. Height 8 in. Oz. \$1.50 ¼ oz. 50c. Pkt. 15c.

ANAGALLIS (Pimpernel)

Annual. For edging, bedding, etc. in sunny places. 6 inches.

Trivett's Large Blue. An improvement over the original. The plants spread rapidly and bloom freely. The flowers are of real turquoise blue color. Must have a sunny place. Oz. \$3.00 ¼ oz. \$1.00 Pkt. 35c.

ANCHUSA TREATED SEEDS

Trivett's Annual Blue. Introduced by us last year. The plants are of fine, compact habit, producing sprays of vivid blue flowers for cutting. Height 1½ feet. Pkt. 50c.

Lissadell. Hardy perennial. Improved Gentian blue. Pkt. 50c.

Picottee. Hardy perennial. Distinct blue with white. Pkt. 75c.

ANGELONIA GRANDIFLORA

Greenhouse perennial. Elegant conservatory plant. Height 2½ feet.

Pretty greenhouse plant with numerous pale mauve flowers and tigered throats produced in dainty sprays, interspersed with rich, dark green foliage. Blooms first season from seed. Pkt. 50c.

ANTIRRHINUM TREATED + SEEDS

For Greenhouse Forcing

If you grow Antirrhinums, be sure you buy good seeds. In the long run, the price of the seeds counts for nothing. It is the results you get which are important. All our greenhouse Antirrhinum Seeds are procured direct from the originators, especially grown for forcing purposes.

Choice greenhouse forcing sorts.

Afterglow. Beautiful golden bronze; Winter flowering; *Silver Medal at Louisville and First Prize at Buffalo.* Pkt. \$3.00

Ceylon Court. Strong, close-set spikes of soft canary yellow; very productive. Pkt. \$1.50

Indian Summer. Rich glossy copper color; a most attractive shade. Pkt. \$1.50

Roman Gold. The color of this variety is a charming combination of pink, copper and gold tints all blended together in one beautiful color. Pkt. \$2.50

Sutton's Cloth of Gold. (*Sutton's Seed.*) Tall growing sort, producing long spikes of soft golden yellow; a very desirable sort. Pkt. 75c.

Goliath. (*Raiser's description.*) We are now able to offer seed of this splendid variety. It throws up long and massive spikes bearing immense individual flower of beautiful coloring, salmon rose above with orange center shading downwards to pale apricot. Much superior to the so-called Maximum type. Pkt. \$1.00

Happiness. A grand new pink sort, a pleasing shade of real pink. Better in every way than *Philadelphia Pink*, its male parent. Has immense flowers closely set. Keeps a long time when cut and has many other merits. Highly recommended. Pkt. \$3.00

Harmony. Rich terra cotta pink with yellow center. This is a color combination that is most charming and much desired. Pkt. \$1.00

Rose Queen. New Winter blooming sort, beautiful, dark pink, large flowering. A true Winter bloomer. For December-January flowering sow seed July 1st to 10th and bench by October 1st. Can be planted close, 6 in. by 8 in. *Awarded Silver Medal, National Flower Show at Minneapolis, also First Prize at Cleveland Show.* Pkt. \$3.00

ANTIRRHINUM, ROCK HYBRIDS MIXED

This pretty hybrid forms small bushes with variously colored flowers in shades of rose, pink, purple, mauve, etc., and is eminently suitable for rock and alpine gardens, edging, etc. 5 pkts. \$3.50, pkt. 75c.

T.T.S.

NEW ANTIRRHINUM - Goliath

T.T.S.

NEW AQUILEGIA—
Dobbie's Imperial Hybrids

AQUILEGIA TREATED + SEEDS

Perennial. For borders and cutting. Height 2½ feet.

Copper Queen. Rich copper red, long spurs of darker shade and straw-colored throat. Pkt. 50c.

Trivett's Lavender. Rich, deep lavender with pure white corolla, a magnificent long spurred and large flowered sort. Pkt. \$1.00

Trivett's Violet. Introduced by us in 1930, the plant is tall in habit, reaching a height of about 4 feet and producing large, long-spurred blossoms of rich deep violet with pale yellow corolla. Pkt. \$1.00

Dobbie's Imperial Hybrids. (*Dobbie's Seed.*) Considered by many to be the finest mixture of giant long spurred sorts. The range of colors and shades is extraordinary. Pkt. 75c.

Mrs. M. Nicholls. A much improved strain of *Aquilegia caerulea*. Bolder flowers, rich blue with white. Pkt. 50c.

Crimson and Gold. (*Sutton's Seed.*) Very attractive variety with bright crimson and gold, long spurred flowers, in great profusion. Height 3 feet. Pkt. 50c.

SEEDS OF ALL ITEMS MARKED + ARE TREATED AS A
PREVENTIVE AGAINST SEED-CARRIED DISEASES

T.T.S. **NEW ASTER—Delavay (Perennial)**

ASTER TREATED ☼ SEEDS

Annual. For cutting and display.

For full list of Asters, please refer to our general catalogue.

Aurora. Quite different from any other Aster, the center of the flower is bright yellow with an outer circle of delicate blue, forming a striking contrast. The plants are of robust growth and about 2 feet in height. Pkt. 50c.

Everlasting Rose. This curious variety appeared lately in the fields of an Aster specialist. It resembles a large Helichrysum. When cut and dried it retains its color and shape just like an Everlasting Flower. Pkt. 50c.

Giant Peony Swansdown. A new variety of the CALIFORNIA GIANT (Peony Flowered). Pure white of gigantic size, 4 to 5 inches across, unquestionably the finest white Aster of this type. Pkt. 50c.

Giant Peony Maiden's Blush. A pure even shade of shell pink. Pkt. 50c.

Giant Peony Azure-Blue. Immense size, magnificent shade of clear blue. Pkt. 50c.

Peerless Yellow. (*Raiser's description.*) It has been difficult to get a good yellow Aster. We have been working constantly for several years and have at last developed one that is quite good, height about 2 feet, flowers of good size and form. The color is a deep yellow when first opened and fades slightly as it ages. Pkt. 50c.

NEW ASTER, DELAVAY (Perennial)

Unique hardy perennial Aster, nothing more lovely can be imagined than this beautiful Chinese species. Delightful shade of lavender-blue with jet black center. See illustration above. Pkt. 50c.

ARABIS (Rockcress)

Perennial. For rockeries, edging, walls, etc. Height 6 inches.

Alpina grandiflora superba. Great improvement over [R] the type, large pure white flowers.

Oz. \$4.50 ¼ oz. \$1.25 Pkt. 50c.

Rosea. Dwarf habit, vivid rose pink. (*Seed very scarce.*) [R] Pkt. \$1.00

ARCTOTIS BREVISCAPA AURANTIACA

Although a half hardy perennial, this should be treated as an annual. The variety we offer is an improvement over *Arctotis breviscapa*, being a deeper and more attractive shade of orange yellow with purple disc. Splendid for bedding, mass effects and cutting. Height about 8 inches. Pkt. 50c.

ARENARIA MONTANA (Sandwort)

Perennial. For rockeries, edging, etc. Height 6 inches.

[R] A hardy perennial growing in close tufts, profusely covered with small, silvery white flowers which appear in Spring. (Packets only) Pkt. 50c.

ARNEBIA CORNUTA (Prophets Flower)

Annual. For cutting and display. Height 2 feet.

Small spikes of golden yellow flowers with rich velvety brown blotch on each lobe of petals, extremely showy, easily grown. Pkt. 50c.

ARNICA MONTANA (Mountain Tobacco)

Perennial. For rockeries and naturalizing. Height 15 inches.

A beautiful Alpine plant resembling a miniature Sunflower, 2 inches in diameter, fragrant yellow, a lovely Alpine effect can be obtained by planting in combination with blue Campanulas in rockeries, etc.

¼ oz. \$1.50 ⅛ oz. 85c. Pkt. 35c.

ARTEMISIA SACRORUM VIRIDIS (Summer-fir)

Annual. For single specimens and pots. Height 4 feet.

A plant of graceful pyramidal habit with light and elegant foliage, valuable as single specimens on lawns, etc. and as pot plants. Oz. \$2.50 ¼ oz. 75c. Pkt. 30c.

ASCLEPIAS CURASSAVICA

Decorative greenhouse pot plant. Height 2 feet.

Very useful and showy plant for greenhouse and conservatory. Flowers reddish orange scarlet, produced in large, erect clusters. Although a perennial, seed sown early produces fine specimens the first season.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 35c.

ATRIPLEX HORTENSIS CUPREATA

Annual. Foliage plant, decorative. Height 5 feet.

Extremely useful as an ornamental plant, red foliage with dark violet stalks. Oz. \$1.50 ¼ oz. 50c. Pkt. 15c.

AUBRETIA—TRIVETT'S ROSE

Perennial. For rockeries, edging, walls, etc. Height 4 inches.

[R] This variety produces large, cushion-like clumps which are covered with rosy carmine flowers. Pkt. 50c.

ITEMS MARKED [R] ARE ESPECIALLY SUITABLE FOR ROCK AND ALPINE GARDENS

BEGONIA—Tuberous-Rooted

Sutton's Seed

Sutton's Prize Single Mixed. *Plain edged.* Saved from the richest and most varied flowers; all shades are included, from the deepest crimson to the lightest pink as well as orange, yellow, white, etc. Pkt. \$1.25.

Sutton's Double Mixed. *Plain edged.* Comprising all the separate named varieties and many shades not offered. This is a splendid mixture of plain edged sorts. Pkt. \$1.25.
For other sorts, see our General Catalogue.

BEGONIA—Fibrous-Rooted

Everblooming bedding and edging sorts.

Sutton's Loveliness. One of the largest flowered bedding Begonias. The lovely clear rose pink blossoms have made it a great favorite. Pkt. 75c.

Trivett's White Queen. New. Largest pure white flowers, light green foliage and stems. Highly recommended. Pkt. 50c.

Rosabelle. Splendid novelty, compact little plants only 6 inches high. Green foliage covered with flowers of pure rose pink. Ideal for bedding. Pkt. 50c.

REX BEGONIA

Ornamental foliage. Greenhouse pot plant.

Trivett's Prize Hybrids. Fine specimens, may be grown from seed in five months. The handsome leaves show a great diversity in form and coloring. Pkt. \$1.00.

BROOM

5

If sown in Spring or early Summer, strong plants will be produced which flower freely in the following year.

Crimson and Gold. (*Genista andreana.*) A remarkable flowering shrub which created quite a sensation when first offered. The plants are as hardy and flower with the same freedom as the common Broom. Each blossom has rich crimson wings and golden standard. Seedlings commence flowering the second season, 80 to 90% coming true from seed. Pkt. 50c.

White. Well known hardy shrub, producing in early Summer a profusion of white flowers on long sprays. Excellent for cutting. Pkt. 25c.

Spanish. (*Spartium junceum.*) This hardy, large flowered yellow variety is well worth growing for its decorative effect in the shrubbery border, as well as for the long, slender sprays of flowers it affords for cutting. Fine specimen bushes can be grown from seed in two seasons. Height 6 to 10 feet. Pkt. 25c.

CALCEOLARIA

Trivett's Profusa Hybrids. The plants possess the same habit as *C. profusa*, but the flowers are larger, ranging from yellow to reddish bronze, very lasting. A fine plant for indoor decoration. Height 2 to 3 feet. Pkt. \$1.00.

The Fairy. This hybrid comes from a wild Chilean species crossed with *C. profusa*. It is the deepest yellow Calceolaria we know, and the elegant sprays of small flowers are most decorative. Will be much appreciated as a pot plant for conservatory or house. Height about 2 feet. Pkt. \$1.25.

T.T.S.

CALENDULA—RADIO

CALENDULA—Scotch (or Pot) Marigold.

One of the most useful of Annuals for general cut flower purposes.

Radio. (Illustrated.) An English novelty of merit, being a new "break" in Calendulas. The petals are beautifully quilled and fluted which enhances the beauty of the globular flowers. The color is soft glowing orange.

Oz. \$3.50 1/4 oz. \$1.00 Pkt. 25c.

Sensation. (Campfire.) The largest of all. Extremely double blossom on long, strong stems; rich orange washed over with a sheen of scarlet; truly an outstanding novelty.

Oz. \$3.50 1/4 oz. \$1.00 Pkt. 35c.

Ball's Gold. *Improved stock, originator's seed.* Upright habit, long stemmed, deep golden yellow.

Oz. \$2.50 1/4 oz. 75c. Pkt. 25c.

CAMPANULA—*Glomerata Superba*

T.T.S.

BORDER CARNATIONS—*Trivett's Prize Mixed*

CAMPANULA

(Basket Campanula)

Fragilis. Long flowering branches, fine for suspended baskets and window boxes. Flowers are clear light blue. Very similar to *C. isophylla*. (Perennial.) Pkt. \$1.00.

Vidali. Magnificent greenhouse pot plant, producing large sweet scented white flowers. Height 2 feet.

Pkt. \$1.25.

Calycanthema Strawberry-Pink. (*Cup-and-saucer*.) A lovely new shade of color which we now add to the other colors listed in our general catalogue.

Oz. \$5.00 ¼ oz. \$1.50 Pkt. 50c.

Barbata. Has been called the queen of the lower

Alpine meadows; large, greyish blue bells on 12 inch stems; hardy perennial; makes a splendid companion to *Arnica montana* in the rock garden. Height about 15 inches. Oz. \$5.00 ¼ oz. \$1.50 Pkt. 50c.

Canarina. Climbing perennial Campanula. A magnificent plant for suspended baskets with numerous large, bell-shaped flowers of orange color veined with red and deep red border. Also useful for the decoration of walls and for cutting. 5 pkts. \$3.50 Pkt. 75c.

Garganica Major. Lovely trailing sort for the rock garden. Charming pale blue flowers. Pkt. 50c.

Glomerata Superba. Improvement over *C. glomerata*, producing large, deep rich blue flowers in loose heads. Hardy perennial. Height 1½ feet. For herbaceous borders. Pkt. 50c.

For other varieties of Campanulas, please refer to our General Seed Catalogue

CARNATIONS (Biennial)

TRIVETT'S EARLY FRENCH

Plants bloom in 5 or 6 months after sowing and continue to flower until the end of the Summer. The large flowers are very double and are borne on stiff, wiry stems 15 to 18 inches high. Our strain will produce about 90% double flowers and come true to color. They are ideal cut flowers. The seed can also be sown in the Fall and the plants carried over the Winter in frames

White, Rose, Scarlet, Pink, Yellow, Maroon, and Ruby. Each color.

½ oz. \$5.00 ¼ oz. \$2.75 ⅛ oz. \$1.50 Pkt. 50c.

COLLECTION—One packet each of the above 7 colors separate, \$3.00

PERENNIAL BORDER CARNATIONS

Trivett's Prize Mixed. A special mixture blended by us from the most choice strains of hardy border Carnations. The plants attain a height of 2 feet, bearing abundance of large, fully double flowers on splendid stems and in a wide range of choice colors.

100 seeds \$1.50

American Tree. (PERPETUAL CARNATIONS). Saved from the newest and finest varieties, can be used with striking effect in beds and borders. Seed sown in February or March and planted out will flower in August and September, and in the following year great sheaves of bloom are produced. Our seed is saved from selected flowers only. Special, 50 seeds \$1.25

For other varieties of Carnations, please refer to our General Seed Catalogue

CELOSIA PLUMOSA

We offer a special strain of the Plumed Cockscomb. The splendid habit of this strain makes it ideal for pots in greenhouse or general display in the garden. (*Illustrated.*)

Trivett's Yellow King. Clear bright yellow.

Trivett's Crimson King. Rich deep red.

Each of the two colors, Pkt. 50c.

Chrysanthiflora. (*Celosia brysoni.*) One of the most effective cut flowers; a wider range and more beautiful colors are found in this Celosia than in any other Autumn flower. Lasts a long time when cut. Mixture. Oz. \$6.00 $\frac{1}{4}$ oz. \$1.75 Pkt. 50c.

Childsi. (*Chinese Woolflower.*) Round, ball-shaped flowers on strong stems for cutting. Crimson, Pink and Yellow. *Each, oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.*

For mixture, see our General Catalogue.

CENTAUREA

Perennial. For borders and cutting.

Montana Blue. Superb large flowers. 2 feet.

Montana White. Companion to above. 2 feet.

Each of above, Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.

Montana Rose. New! Clear rose. (*Scarce.*) Pkt. 75c.

CERASTIUM BIEBERSTEINI

Perennial. For rockeries and edging. Height 6 inches.

R Pretty grey foliage growing in compact clumps with white flowers.

Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.

CHELONE BARBATA

Perennial. Cutting and borders. Height 3 feet.

Trivett's Early Hybrids. New! A splendid strain, similar in habit to the type but earlier and in a good range of pink, salmon, cerise, etc. In mixture. Pkt. 50c.

CHRYSANTHEMUM

(Perennial)

The practice of raising Chrysanthemums from seed is now largely adopted by growers of this flower. From a sowing made in February fine plants can be obtained which will flower in the greenhouse or open border during the Autumn and new seedlings may frequently be secured.

For the Greenhouse

Trivett's Large Flow. Autumn Mixed.

Saved from the finest varieties only. The seedlings will produce the widest possible range of colors in semi-double and single flowers.

Pkt. 75c.

For the Open Border

Trivett's Early Flow. Dwarf Mixed.

A new strain which from a February sowing blooms freely in the open border in August. The plants attain a height of 2 feet and produce principally fine double flowers in white, yellow, rose, bronze, crimson, etc. Pkt. 75c.

CHRYSANTHEMUM

Annual, for cutting, display, etc.

Single Coronet. (*Illustrated.*) Dwarf in habit, being only 18 inches in height. The beautiful cream flowers distinctly edged with lemon are indeed very dainty.

Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.

T.T.S.

CELOSIA plumosa—Trivett's Yellow King

T.T.S.

CHRYSANTHEMUM, (Annual) Single Coronet

T.T.S.

CINERARIA sinensis—Rosamond

CINERARIA

Greenhouse flowering plant for pots and cutting.

Rosamond. (*Sinensis* type.) A delicate pink Cineraria of the giant hybrid type, with white center. The large, circular flowers usually display two rows of petals and attain a diameter of 3 to 4 inches. Pkt. \$1.50.

Sutton's Forget-me-not Blue. This variety is of the intermediate type. The color is one of the prettiest shades in Cinerarias. *Sutton's seed.* Pkt. \$1.50.

The Duchess. Selected from the Feltham Beauty Star strain. Rich royal blue flower with a white center, a variety which immediately arrests attention. The few plants exhibited by Sutton & Sons at the Chelsea Show last year were greatly admired. *Sutton's seed.* Pkt. \$1.25.

Many Flowered Salmon Rose. Without question the many flowered type is the finest for use as pot plants. We have pleasure in introducing two new colors this season. Pkt. \$1.00

Many Flowered Crimson. Rich color. Pkt. \$1.00
For other colors, please refer to our General Seed Catalogue.

A full list of Cinerarias is offered in our General Seed Catalogue

CORYDALIS CHELIANTHIFOLIA

Perennial. For rockeries and edging. Height 8 inches.

☐ Handsome, pale green, fernlike foliage over which the spikes of clear yellow flowers are abundantly produced; a charming plant for rockery and dwarf borders. Pkt. 75c.

COLEUS THYRSOIDEUS

Unique greenhouse perennial. For cutting.

A lovely species from central Africa, producing from November to February, graceful, bright blue flowers. Height 2½ feet. Pkt. \$1.00.

COREOPSIS (Per. Calliopsis)

Perennial. For borders and cutting. 3½ feet.

Mayfield Giant. A new variety from Australia, producing larger flowers than any other variety; rich golden yellow. Hardy perennial. Pkt. 75c.

Double Lanceolata Grandiflora. An extra fine selection from the Single type. This variety produces handsome double and semi-double flowers of rich golden yellow.

Oz. \$5.00 ¼ oz. \$1.50 Pkt. 50c.

COSMIDIUM

Annual. For cutting and display. 2 feet.

Orange Crown. The flowers are golden yellow with a broad circle of rich orange around the center disc. Produces a succession of blooms all Summer. *Easily grown.* Oz. \$3.00 ¼ oz. \$1.00 Pkt. 25c.

NOTE!

The items offered in this catalogue are not listed in our General Seed Catalogue.

T.T.S.

COREOPSIS (CALLIOPSIS)—Mayfield Giant

COSMOS

Annual. For cutting and display. 5 to 6 feet.

Trivett's Early Giant Mixed. A mixture of pink and white. Identical in height and habit, etc., to the late blooming Cosmos, but coming into bloom in August and continuing to flower until cut down by frost. This strain produces exceptionally large flowers and will, without doubt, take the place of the tall Autumn Cosmos. 5 pkts. \$2.00 Pkt. 50c.

Hollywood Star. A new departure in Cosmos, coming true to type. The flowers are unique in shape (*see illustration*) and are produced in pink, red and white, on long stems. We recommend this striking novelty. In mixture. Pkt. 50c.

Baby Gold. A miniature Cosmos growing about 1½ feet in height, forming neat, compact bushes and blooming very freely. The rich yellow, starlike flowers are very attractive on the deep olive green, finely cut foliage. Excellent cut flower. Pkt. 25c.

For other Cosmos, please refer to our General Seed Catalogue.

CYCLAMEN

Greenhouse flowering pot plant.

FISCHER'S GIANT EXHIBITION

Fischer's "Master Cyclamen" are considered the superior of the many choice German strains.

Ruby Salmon. Exceptionally large blooms and freely produced. Unique shade. Pkt. (25 seeds) \$1.50.

America. Golden salmon, the best of all the salmon shades. Pkt. (25 seeds) \$1.50.

New Ruffled Salmon. The petals are ruffled and curled at the edges; rich, dark salmon color. Pkt. (25 seeds) \$1.50.

OTHER CYCLAMEN

Improved Perle of Zehlendorf. An improvement on this choice German variety; rich glowing dark salmon. Pkt. (25 seeds) \$1.00.

T.T.S.

COSMOS—Trivett's Early Giant

OTHER CYCLAMEN—Continued

Improved Rose of Zehlendorf. Lovely delicate salmon shade. Pkt. (25 seeds) \$1.00.

Bush Hill Pioneer. Curious large feathered blooms in choice mixture. (Pkt. (25 seeds) \$1.50.

Sweet Scented. New! Strongly fragrant, giant flowers, white and rose shades mixed. Pkt. (25 seeds) \$1.25.

White Wonder. New English variety; considered by many to be the largest and finest white. Pkt. (25 seeds) \$1.50.

Silver Leaf St. George. Beautiful silvery foliage, flowers salmon and crimson. Pkt. (25 seeds) \$1.50.

DAHLIA

Maxoni. Lost to cultivation, but now reintroduced. This wonderful Dahlia produces long, loose sprays of single rosy lilac flowers, very robust plants about 8 feet high. *Grow in tubs placed outside; lift before frost and flower inside.* Pkt. 35c.

CHRYSANthemum-Flowered

This new type produces many blooms 12 inches and over in diameter, in a wonderful range of beautiful colors, on strong, wiry stems. This is the strain from which to produce immense new seedlings. Pkt. (25 seeds) \$2.00.

Apoldro. (*Zinnia Flowered.*) Makes a brilliant effect in beds or borders. The plants are dwarf and compact and throw up in great profusion semi-double blooms of crimson scarlet with rich golden center. An excellent plant for Summer and Autumn bedding. Pkt. 75c.

Coltness, Yellow Gem. Single clear yellow coming 70 to 80% true from seed. Pkt. 50c.

For other varieties of Dahlias from seed, please refer to our General Seed Catalogue

T.T.S.

COSMOS—Hollywood Star

THE 1931 DELPHINIUMS "DE LUXE"

We have great pleasure in offering seed of these wonderful *new Super Delphiniums* in separate varieties. The seed we offer has been carefully hand saved by an English Delphinium specialist—the finest procurable. It should be understood that named varieties of Delphiniums do not reproduce themselves entirely true from seed. All the seedlings will be good however. *Sow seed in Spring.*

TREATED + SEEDS

ALL DELPHINIUM SEEDS SOLD BY US ARE
TREATED AGAINST SEED-CARRIED DISEASES

The enormous Giants recently developed from the original Wrexham or Hollyhock strain—the World's Best, to date.

Advancement. The real super Delphinium; positively the last word in the new Giants. *Advancement* marks a great achievement in Delphinium creation. There is often 5 feet of solid bloom of clear electric blue with pale mauve center. 7 to 8 feet. Pkt. \$5.00

Anne Hathaway. A lovely lady in dazzling blue, with attractive white eye; magnificent spikes 5 to 6 feet high. Pkt. \$3.00

Afghan Queen. Charming pale blue, single sort; a light khaki eye completes a refreshing color scheme; very large spikes. 5 feet. Pkt. \$5.00

Clive Greaves. Rich porcelain blue flowers of good size and form, on a long, tapering spike of imposing stature. 5 feet. Pkt. \$2.50

Great Strides. Beautiful pale blue shaded with pinkish mauve; a grand flower. Pkt. \$2.00

Happy Thought. Mid-blue shaded with Pansy Violet. Height 5 feet; a striking beauty. Pkt. \$2.00

Monarch of Wales. A. M., R. H. S., Wisley Trials. The raiser's most famous variety; gigantic spikes of deep blue and mauve; 5 to 6 feet high. Pkt. \$2.00

Mrs. A. J. Watson. 7 feet high with solid flower spike $3\frac{1}{2}$ feet long; deep mauve with black center; enormous. Pkt. \$2.00

Mrs. Jessie Oldham. Pale sky blue shaded and deeply suffused with pink; tall and massive spikes. 6 feet. Pkt. \$2.00

Mrs. Townley Parker. Produces a fine spike of large, single sky-blue flowers with white eye. A. M., R. H. S. 4 to 5 feet. Pkt. \$2.00

T.T.S.

NEW GIANTS Mixed

Superb mixture of
Supers x Wrexham
including many of the
above choice named
sorts. Pkt. \$1.50

Norah Phillips. A truly marvelous spike which was greatly admired in the raiser's group at Bath, England. A gorgeous effect of deep blue and purple florets on a tapering spike 6 feet high, $4\frac{1}{2}$ feet being in solid bloom. Truly a great variety. Pkt. \$2.00

Princess Elizabeth. Another charming variety, the guard petals are of gentian blue, inner petals of the same shade but tinted with pure mauve. A small black eye gives a charming "set-off" to the flower. 4 to 5 feet. Pkt. \$2.00

Rose Marie. A. M., York, England. Rich Pansy violet, 5 to 6 feet in height. Makes splendid contrast to the lighter shades. Pkt. \$2.00

Superb. A grand spike, bearing flowers of a light mauve shade, the eye being mauve with touches of honey yellow on the edges. 5 feet. Pkt. \$2.00

St. George. A long tapering, dainty spike of rich Reckitt's blue, with black eye; one of the few real true blues we have in this new race. 5 feet. Pkt. \$2.00

The Bishop. Bright royal blue with large, conspicuous white eye. A greatly improved *Rev. E. Lascelles*. One of the most outstanding varieties. Height 4 to 5 feet. Pkt. \$2.00

Warwick. Lovely waved flowers of deep blue and plum purple. Huge spike of unique form. Height 6 feet; a novelty of great merit. Pkt. \$3.00

Will. Shakespeare. Monstrous tapering spike; 4 feet of solid bloom; lovely pale blue with dark eye. Height 6 feet. Pkt. \$3.00

FIELD-GROWN PLANTS OF GIANT HOLLYHOCK DELPHINIUMS (Wrexham Strain) IN SPLENDID MIXTURE—See page 35

DIANTHUS

PERENNIAL SORTS

Highland Queen. The most brilliant perennial Dianthus in cultivation, bearing in profusion flowers of a lustrous vermilion scarlet color, which captivates the beholder at first sight. It is extremely hardy, of vigorous growth and ideal for bedding, borders, and the rock garden, continuing in bloom from the end of May until November. *Illustrated.*

5 pkts. \$2.00 Pkt. 50c.

Allwoodi Alpinus. A grand novelty; a new hybrid race of Dianthus. Height 4 to 6 inches. Perennial.  Single and semi-double flowers in beautiful mixture. Ideal for rockeries, etc. Pkt. \$1.00.

See also Dianthus allwoodi in our General Catalogue.

ANNUAL DIANTHUS

Trivett's Double Lilac. Unusual shade, double flowers of lilac becoming darker toward the center. Splendid cut flower. Makes a charming combination with *Trivett's Double Cream*. Pkt. 50c.

Trivett's Double Cream. Another uncommon shade in annual Pinks, pale straw or cream yellow. Contrasts well with *Trivett's Double Lilac*. Pkt. 50c.

Trivett's Double Picotee. Charming shade of light strawberry pink, nicely fringed, large double flowers, the petals are daintily edged with white. Pkt. 50c.

For other varieties of Dianthus, please refer to our General Seed Catalogue

T.T.S.

DIANTHUS—Highland Queen

DIMORPHOTHECA

Annual. For cutting and display. Height 1 foot.

Lemon Queen. Brilliant lemon colored flowers well set off by the blue black central zone. Pkt. 50c.

Pluvialis Ringens. (*Illustrated.*) Pure white, with attractive blue center zone; fine for cutting. Pkt. 50c.

Salmon Beauty. Aurantiaca type; true salmon shade. Oz. \$4.00 ¼ oz. \$1.25 Pkt. 50c

DRACAENA INDIVISA

Greenhouse ornamental Stoveplant.

Handsome foliage plant which can be grown from seed. Useful as a pot plant in greenhouse and for center of Summer beds, in garden vases, etc.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 35c.

EPILOBIUM ANGUSTIFOLIUM (French Willow or Rosebay)

Perennial for tall borders and groups. Height 3 feet. Excellent plant for the rear of herbaceous borders and wild gardens. Flowers bright rose, in long loose sprays.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 25c.

ERIGERON DIVERGENS

Annual. For display in borders. Height 15 inches. This very pretty annual species forms neat, freely branching, shapely bushes about 15 inches high which are thickly strewn with small white flowers shaded with lavender. Of great value for planting in clumps in the annual border. *Easily grown.* Pkt. 50c.

TRIVETT'S TESTED FLOWER SEEDS ARE PUT UP
IN GENEROUS OVER-SIZE PACKETS

T.T.S.

DIMORPHOTHECA pluvialis ringens

T.T.S.

ESCHSCHOLTZIA—Buttercup

ESCHSCHOLTZIA

Annual. For cutting. Height 15 inches.

Buttercup. Lovely new sort, double flowers, beautifully caniculated, of the desired soft butter yellow. *Illustrated.* Pkt. 50c.

Trivett's Raspberry Red. New, double flowering sort. The color is a delightful shade of raspberry red. The beautifully formed blossoms on good, strong stems make this variety an ideal cut flower. Pkt. 75c.

Trivett's Double Orange. New, double flowers of exquisite form, artistically caniculated petals. The color is rich glowing orange. Pkt. 50c.

ROCK ESCHSCHOLTZIA

Eschscholtzia, Lilliput.  A lovely little annual for rockwork and edging. The plants do not grow more than 4 to 6 inches high and are covered with small pale, lemon colored flowers. Pkt. 35c.

EUCALYPTUS

Greenhouse ornamental perennial.

Globulus. (*Blue Gum Tree.*) Admirable for subtropical bedding or greenhouse decoration. Pkt. 25c.

Citriodora. Leaves delightfully lemon-scented. For greenhouse decoration. Pkt. 50c.

EUPATORIUM (Mistflower)

Perennial. For borders and cutting. Height 2 feet.

Coelestinum. Heads of light blue flowers like a glorified Ageratum; good stems for cutting; blooms profusely from September to October. Pkt. 50c.

EUTOCA VISCIDA

Annual. For cutting and display. Height 1 foot.

Profuse blooming annual. Easily grown, bright blue flowers, suitable for bees. Oz. \$1.50 $\frac{1}{4}$ oz. 50c. Pkt. 15c.

EXACUM MACRANTHUM

Greenhouse pot plant. Height 1½ feet.

Magnificent and unusual plant. Bright violet flowers with golden anthers. Pkt. 75c.

FELICIA BERGERIANA

Annual. For general display.

Tufted grasslike foliage from which are thrown masses of small, star-shaped flowers of an uncommon shade of blue. A really pretty annual of unique beauty. Easily raised from seed. Pkt. 50c.

FRANCOA RAMOSA (Bridalwreath)

Greenhouse perennial. For cutting. Height 2½ feet.

Popular decorative plant which is of the easiest possible greenhouse culture. During the Summer months it produces a number of elegant sprays of pure white flowers. Excellent for cutting and very largely used for table decoration. Pkt. 50c.

GAILLARDIA GRANDIFLORA

Perennial. For borders and cutting. Height 2½ feet.

Bremen. The bushy plants 2½ feet high are covered with long-stemmed blossoms of deep coppery scarlet with dark brown disc. The petals are tipped with yellow, the flowers measure about 3 inches across and resemble those of our magnificent annual GAILLARDIA Single Salmon (*see our General Catalogue*) and recently christened INDIAN CHIEF. If sown in March, G. BREMEN will flower during the first season. Pkt. 50c.

Portola Hybrids. A grand varied strain of perennial Gaillardia, embracing many new shades and combinations. Bold large flowers. Oz. \$4.00 $\frac{1}{4}$ oz. \$1.25 Pkt. 50c.

T.T.S.

GAILLARDIA—Portola Hybrids

GENTIANA HASCOMBENSIS

This beautiful new Gentian was raised by Mr. C. T. Musgrave and is a cross between *G. lagodechiana* and *G. septemfida* var. *cordifolia*. The individual flowers are large—about 1½ inches across and of bright, mid-blue, slightly speckled with white toward the base. The flowers are produced in a bunch or truss on a stem about 1½ feet high. *The flowering period is from early July until end of August. The seed can be raised in heat in Spring, but the best results are obtained by sowing in Autumn and keeping the pans in a coldframe. The seed will then germinate in the following Spring. Perennial.* Pkt. 50c.

GERANIUM TRAVERSI

Perennial. For rock gardens, etc. Height 1 foot.

☐ A beautiful plant introduced from New Zealand. It has a spreading habit, woolly silvery grey foliage and bright pink flowers. Splendid hardy plant for the rock garden. Pkt. 75c.

GERBERA (Transvaal Daisy)

Greenhouse flowering plant. For cutting. Height 15 inches.

Trivett's Double Hybrids. *New.* The double form of the popular *G. jamesoni* Hybrid in a splendid range of choice colors and shades. Pkt. (10 seeds) 75c.

GESNERIA (Naegelia)

Greenhouse decorative flowering plant. Height 18 inches.

Hybrids Mixed. A delightful race of Hybrid Gesnerias for the decoration of greenhouse and conservatory. The flowering spikes carry numerous bright pendulous blooms including white, yellow, salmon, orange, crimson, etc. Valuable table plant. Pkt. \$1.00

GILIA

Biennial. For display, decoration, etc. Height 4 feet.

Coronopifolia, New Hybrids. A magnificent strain of this lovely plant, producing long spikes of the most brilliant flowers interspersed with fine Larkspur-like foliage. The colors include vermilion, salmon, apricot, pink, yellow, etc. *Succeeds best treated as a half hardy annual* (See photograph.) Pkt. 75c.

Californica. *New.* Shrub-like perennial, 3 feet in height, with spikes of bright pink, Phlox-like flowers. Makes a rare pot plant for greenhouse culture or may be used in the border with a little Winter protection. Pkt. 75c.

GLOXINIAS

Greenhouse flowering pot plant.

These exquisite flowers may easily be raised from seed at small expense, as only a limited amount of heat is required. If the seed is sown in April, the plants will start blooming in the following August or September.

SUTTON'S VARIETIES

We do not know of any superior sorts to offer our customers.

Her Majesty. (*Sutton's Seed.*) This exquisite Gloxinia is still unsurpassed by any other white variety. The flowers are as pure as newly fallen snow and are borne on short stems, just clear of the elegant foliage. The plant is compact, free flowering and of highest decorative value. Pkt. \$1.25

King George V. (*Sutton's Seed.*) A bright scarlet crimson variety which has been much admired. The massive flowers, which are of the largest size, are perfect in form and show to great advantage over the beautifully recurved foliage. Pkt. \$1.25

Duchess of York. (*Sutton's Seed.*) Flowers of a rich dark blue, each petal edged with a broad band of white. A striking and lovely variety. Pkt. \$1.25

Meteor. (*Sutton's Seed.*) Large, fringed bright scarlet flowers, giving a very light and pretty effect. Pkt. \$1.25

THE ITEMS MARKED ☐ ARE SUITABLE FOR ROCKERIES AND ALPINE GARDENS

T.T.S.

GILIA coronopifolia, New Hybrids

GLOXINIAS —Continued

Pink Beauty. (*Sutton's Seed.*) A very elegant Gloxinia with a deep band of rose pink to the white throat. Pkt. \$1.25

Azure Blue. (*Sutton's Seed.*) Flowers exquisitely tinted with sky blue on a white ground. A very lovely shade. Pkt. \$1.25

GUNNERA MANICATA

Perennial. Foliage or ornamental plant. Height 5 feet.

A noble plant with immense leaves about 4 feet in diameter. Requires a damp situation. A fine subject for lawns, the bog garden and beside pools. Pkt. 50c.

GYPHOPHILA (Babysbreath)

Elegans Crimson. A rich colored variety of anilin red, of the same habit as the popular *Annual White*. Excellent for mixing with cut flowers requiring color. Annual.

Oz. 90c. ¼ oz. 35c. Pkt. 15c.

Paniculata, Double Hybrids. This is a double selection of the perennial Gypsophila, but in various shades of color. Height 3 feet. Perennial. Pkt. \$1.00

Paniculata, Double Snowflake. *New, early flowering improved double white perennial variety.* Pkt. 75c.

T.T.S.

NEW GODETIA—Trivett's Pink Azalea

TRIVETT'S GODETIAS

Annual. For cutting, display, bedding and pots. Easy to grow. Treat like Marigolds, Petunias, Verbenas, etc.

DWARF AZALEA FLOWERED (Height 1 foot)

A new development which will become very popular, as will be seen from our photograph herewith. The habit of the plant and the way the flowers are borne above the foliage makes it resemble, to a remarkable degree, the Azalea. The blooms, however, are much larger and produced in such abundance that the foliage is almost completely hidden when the plant is at its best. One can easily picture the extraordinary effect this plant would make if bedded en masse, planted in clumps in annual borders. As a pot plant it has a great future. Our *Dwarf Azalea Flowered Godetia* is of the easiest culture, prefers ordinary soil. Do not feed.

Trivett's Pink Azalea. Double flowers of the brightest shell pink or pale salmon pink without any marking whatsoever. True double Azalea flowered. 5 pkts. \$2.00 Pkt. 50c.

Trivett's Rose Azalea. Vivid rich rosy pink with darker center. True double Azalea habit. 5 pkts. \$2.00 Pkt. 50c.

Trivett's Crimson Azalea. Bright deep crimson, attractive double flowers which are produced in abundance, almost hiding the foliage. Splendid for bedding or as a pot plant. 5 pkts. \$2.00 Pkt. 50c.

TALL DOUBLE GLADIOLUS FLOWERED

(Height 2½ feet)

It would be difficult to offer our customers a more uncommon, beautiful and useful cut flower which is so easily raised from seed. Treat similar to hardy annuals, such as Cosmos, Zinnias, etc. Our tall Godetias remain in full beauty for a long period and when cut, the long, graceful sprays make a handsome decoration for vases. As a greenhouse cut flower, quick growing and easy to raise, it has few equals. Prefers ordinary soil.

Trivett's Tall Cherry Red. A beautiful rich cherry red color; the exquisite double flowers are arranged in long, graceful sprays; invaluable for cutting. 5 pkts. \$2.00 Pkt. 50c.

Trivett's Tall White. A new Godetia with glistening pure white double flowers. Makes a delightful contrast to our *Cherry Red* or the *Shell Pink*. 5 pkts. \$2.00 Pkt. 50c.

Trivett's Tall Shell Pink. Charming new color daintily frilled double flowers on light, graceful, Gladiolus-like spikes. A choice and uncommon cut flower. 5 pkts. \$2.00 Pkt. 50c.

For other varieties of Godetias, please refer to our General Catalogue. A copy will be gladly furnished on request.

HEBENSTREITIA COMOSA

Introduced from Africa, producing innumerable small, white flowers on a long, slender Mignonette-like spike and bright orange blotches make them very interesting. Succeeds well as an annual. Night scented. Height 1½ feet. ... Pkt. 50c.

HELIOPHILA LINEARIFOLIA

A charming new annual from South Africa with pretty blue, white eyed flowers, which are freely produced in long, graceful sprays. Will make a striking effect if interspersed with the yellow *Ursinia*. ... Pkt. 75c.

HIERACIUM VILLOSUM

Perennial. For rockeries and borders. 1 foot.

[R] An excellent subject for rockeries and perennial borders; dense, downy foliage above which rise the showy, golden yellow flowers. ... Pkt. 50c.

HELICHRYSUM (Everlastingflower)

Annual. For cutting and drying for Winter.

Trivett's Pink. A new shade, beautiful, delicate light pink. In size the blooms are exceptional—over 2 inches in diameter. Oz. \$4.00 ¼ oz. \$1.25 Pkt. 50c.

HOLLYHOCK— New Type

Perennial. For display. Height 5 feet.

Trivett's Triumph. A new type of Hollyhock, being of branching habit, producing many flowering stalks studded with exquisitely fringed, double flowers and in the widest range of colors and shades heretofore unknown in Hollyhocks. ... Pkt. 75c.

HYPERICUM reptans

Perennial. For rock gardens. Trailing.

R A gem for the rock garden. Of trailing habit with slender evergreen foliage over which the bright yellow flowers show to great advantage. ... Pkt. 75c.

IPOMOEA (Convolvulus)

Annual. Climber. Height about 8 feet. Delights in a sunny position.

Trivett's Early Heavenly Blue.

Much earlier flowering than the ordinary *Heavenly Blue* (*Rubro caerulea*) and more free flowering. Supplies an abundance of large, sky blue flowers three or four months after sowing. Admirably adapted for verandas, trellis work, outside breakfast rooms, etc. Must have a sunny position. Also admirable for greenhouse decoration.

Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 35c.

KOCHIA (Summer Cypress)

Ornamental foliage plant. 3 feet.

Trivett's Pyramid. We here offer our customers an entirely new and greatly improved *Kochia trichophylla*. The plants are much more branching than the type, forming beautifully shaped pyramidal bushes thickly covered with light, feathery green foliage which turns to a rich crimson in the Autumn. Pkt. 75c.

LARKSPUR TREATED SEEDS

Annual. For cutting. Height 4 feet.

Trivett's Salmon Pink.

Improved strain of *Los Angeles*. In this new variety we have the same delightful salmon pink as in "*La France*" but overlaid with a brilliant rose, creating a more brilliant and deeper shade. The foliage is a darker green. The color of *Trivett's Salmon Pink* is particularly lovely under artificial light. *Illustrated.*

Oz. \$5.00 $\frac{1}{4}$ oz. \$1.50 Pkt. 50c.

Trivett's La France.

The beautiful new sort which has proven so desirable. Lovely salmon pink resembling the popular *Antirrhinum, Jennie Schneider*. A lighter pink companion to *Trivett's Salmon Pink*, and having the same tall, upright habit of growth yet producing many lateral spikes for cutting.

Oz. \$3.00 $\frac{1}{4}$ oz. 85c. Pkt. 30c.

Trivett's White Spire.

A new, dazzling pure white Larkspur with the improved upright habit of *La France*, making it without question the finest white variety yet introduced.

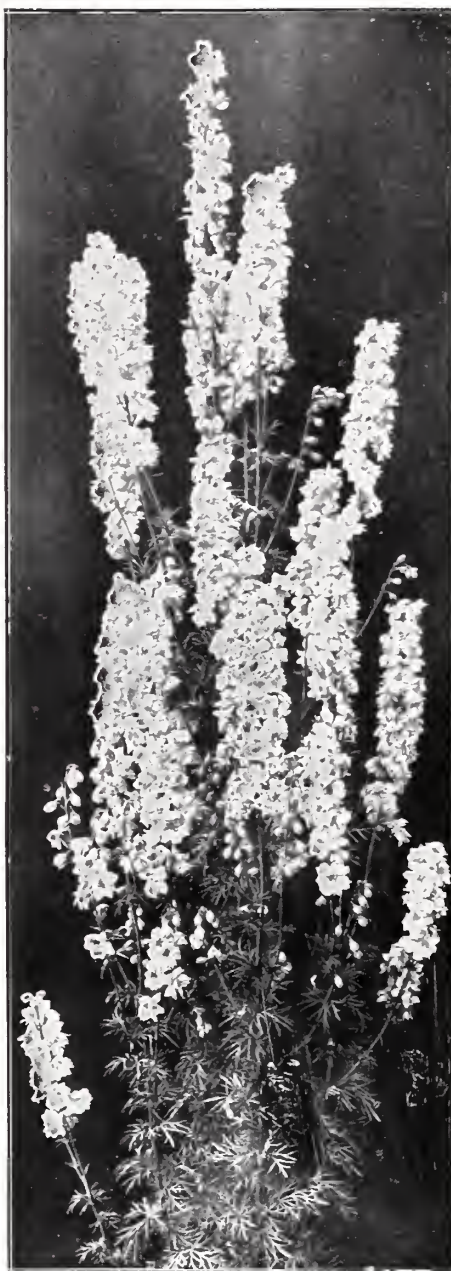

Oz. \$3.00 $\frac{1}{4}$ oz. 85c. Pkt. 30c.

Los Angeles. See *Trivett's Salmon Pink*.

LATHYRUS pubescens

Greenhouse perennial Sweet Pea.

Beautiful everlasting Sweet Pea from the Argentine; racemes of lovely pale blue flowers. ... \$1.00

T.T.S. **NEW LARKSPUR—**
Trivett's Salmon Pink

LIATRIS *Perennial. For borders, etc.*

Scariosa alba. Introduced by us in 1929 through the courtesy of a gardener friend. Very useful for rock gardens, for perennial borders and as a cut flower. Blooms from middle of September until October 15th. ... Pkt. 50c.

Pycnostachya. Tall growing noble species, 4 to 5 feet high, producing tall, strong Eremurus-like spikes densely covered with purple bloom which flowers for a long time. Excellent for massing in the background of herbaceous borders or in clumps against evergreens, etc. As a cut flower try a few spikes with orange Gladiolus or yellow African Marigolds.

Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 35c.

LINARIA alpina

Perennial. For rock and alpine gardens. 6 inches.

R Elegant, purple flowers blotched with orange resembling miniature *Antirrhinum*. Abundantly produced on trailing plants with greyish green foliage. Blooms in Summer and Autumn. Height 6 inches. Pkt. 50c.

LOBELIA cardinalis

Perennial. For display. Height 5 feet.

The Bishop. Magnificent strong spikes of glistening vermilion scarlet. Award of Merit, R. H. S. 1929. Pkt. 75c.

LUPINS**HARKNESS' "Regal" LUPINS**

The finest and most up-to-date strain of perennial Lupins.

Harkness & Sons of England have received the following awards for their magnificent strain of Lupins.

Silver Cup at the Great York Gala, England, for the best competitive exhibit in the entire show.

75 Guinea Trophy for the best new race of plants.

Award of Merit, R. H. S. Award of Merit, R. A. S. and many other cups, gold medals and first prizes.

The following Collection is unique!

Carrie Tonks. Apricot with yellow.

Cleopatra. Flame and yellow.

Eva Thorpe. Apricot with fawn.

Fortunata. Soft pale apricot.

Gold Crest. Bronzy yellow.

Golden Gate. Rich golden yellow.

Golden Thoughts. Rosy fawn.

Joy. Splendid pink and yellow.

Lady Greenall. Choice apricot self.

Marjorie. Bronze shaded yellow.

May Robinson. Apricot and rose.

Queen of Hearts. Pink and white.

Any of the above named sorts,

Oz. \$6.00 $\frac{1}{4}$ oz. \$2.00 Pkt. 50c.

SPECIAL COLLECTION

One packet each of the above 12 superb sorts, separate. ... \$5.00

$\frac{1}{4}$ oz. each of 12 sorts. ... \$20.00

Note! For Harkness's Lupins Mixed and other types and colors including the blue shades, please refer to our General Catalogue.

LYCHNIS

Perennial. For rockeries. Height 4 inches.

Alpina. Pretty plant for the rock garden; produces clusters of brilliant rose colored flowers during Spring. ... Pkt. 50c.

Forresti Hybrids. Rare shades of carmine, crimson, pink, white, etc. Forms bushes 2 feet across and 1½ feet high with panicles of flowers on stems 15 inches long. Hardy perennial, valuable for display and cutting. ... Pkt. 75c.

T.T.S. MARIGOLD—Trivett's Special Striped

MARIGOLD

Annual. For cutting and display.

Trivett's Special Striped. A fine selection from the French Gold Striped. Height $2\frac{1}{2}$ feet. Refined flowers of rich, velvety brown and striped with gold. The straight, strong stems make this sort an ideal cut flower. *Illustrated.*

$\frac{1}{4}$ oz. \$2.50 $\frac{1}{8}$ oz. \$1.50 Pkt. 50c.

Robert Beist. Dwarf double French type about 1 foot high, described by the originator as a purplish maroon which is new in Marigolds. Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.

Guinea Gold. Very distinct type of Marigold, of graceful, pyramidal habit, 2 to $2\frac{1}{2}$ feet high and producing 30 to 40 semi-double flowers of a brilliant shade of orange flushed with gold. Pkt. 50c.

Trivett's Fiery Cross. *New!* Bright golden yellow with large, dark brown blotch, single flowers. Height 9 inches. Splendid for beds and edging. Similar in habit to the popular. *Legion of Honor.* Oz. \$3.00 $\frac{1}{4}$ oz. \$1.00 Pkt. 25c.

MYOSOTIS (New Forget-me-not)

Trivett's Everblooming. A new type. The flowers are borne on long, stiff stems of exquisite sky blue with white center eye. The principal merit of this sort is that it blooms early and late and may be in bloom at any time of the year. A true perennial, and like all other Forget-me-nots does exceptionally well in half shady places on the banks of pools, streams, etc.

5 pkts. \$1.00 Pkt. 25c.

NIEREMBERGIA CALYCINA

Annual. For hanging baskets, rockeries. 1 foot.

Pretty white flowers shaded and veined with lavender. An exceedingly graceful plant for hanging baskets, window boxes, vases, etc. $\frac{1}{4}$ oz. \$1.75 $\frac{1}{8}$ oz. \$1.00 Pkt. 35c.

NOLANA GRANDIFLORA

Annual. For sunny rockeries, etc. Height 6 inches.

A vigorous growing hardy Annual giving a mass of pale lavender blue, bell-shaped flowers with white throats. The plants spread freely. Very useful for covering bare places, providing the position is sunny and the soil light. *Easily grown.*

Oz. \$1.50 $\frac{1}{4}$ oz. 50c. Pkt. 15c.

OENOTHERA (Evening Primrose)

Biennial. For general garden display.

Clutei. *New!* This handsome biennial Evening-primrose forms a large rosette of leaves from which it throws up a stout central stalk 4 feet in height, bearing in great profusion large flowers of soft yellow shade. *Does not close the petals during the day* and is very effective in large masses in borders and wild gardens.

Oz. \$6.00 $\frac{1}{4}$ oz. \$1.75 Pkt. 50c.

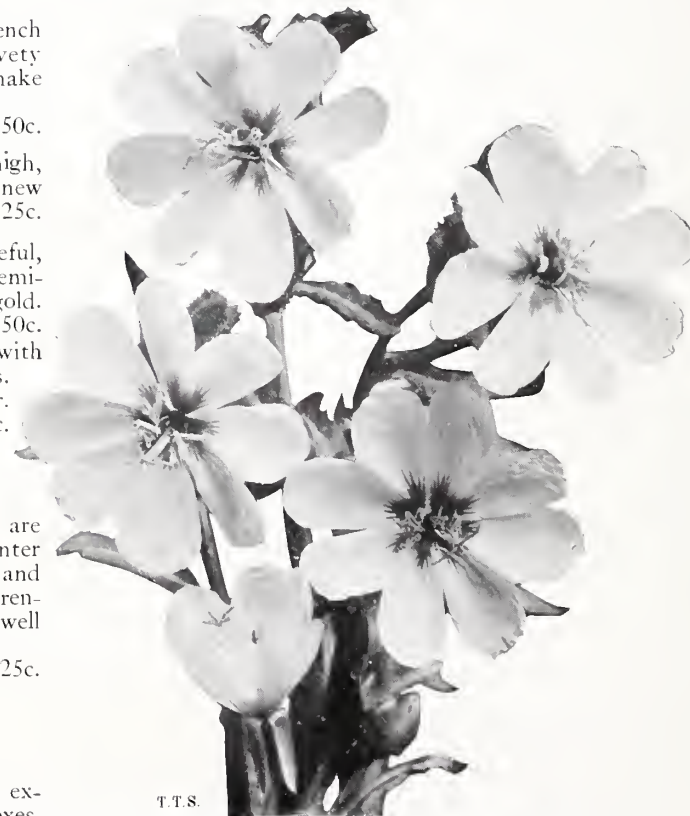

Trichocalyx. Another fine, new sort which also does not close its flowers during the day. The plant grows about 15 inches high, bearing a number of blooms that follow each other in continuous succession. These are large, of purest white and adorned with beautiful golden anthers.

Oz. \$6.00 $\frac{1}{4}$ oz. \$1.75 Pkt. 50c.

OXALIS ROSEA

Attractive bright pink, suitable for pots, hanging baskets, etc. Seed sown indoors in March will bloom in May. Height 6 inches.

Pkt. 50c.

T.T.S.

OENOTHERA trichocalyx

PANSY TREATED + SEEDS

Trivett's New Giants. Introduced by us in 1929, including *Roggli's Swiss Giants*, *English Exhibition Fancy*, etc. A mixture prepared especially by ourselves of the finest Pansies procurable.

5 pkts. \$3.50 Pkt. 75c.

Thuner Sea. (*Ullswater*). A giant in size. Intense marine blue. The richest and most brilliant blue self. Ideal as a ground cover in beds of yellow Tulips. Pkt. 50c.

Steele's Golden Gate. Gigantic golden yellow with dark center. Perhaps the largest and finest yellow Pansy obtainable. $\frac{1}{4}$ oz. \$5.00 $\frac{1}{8}$ oz. \$2.75 Pkt. 75c.

Steele's Mlle. Irene. A new henna red; a wonderful Pansy. $\frac{1}{4}$ oz. \$5.00 $\frac{1}{8}$ oz. \$2.75 Pkt. 75c.

Grand Duke Michel. Without doubt the finest and largest all white Pansy procurable. (*Steele's*.) $\frac{1}{4}$ oz. \$3.50 $\frac{1}{8}$ oz. \$2.00 Pkt. 50c.

Mastodon Adonis. Light blue, baby blue and lavender shades. Extra choice large blooms. $\frac{1}{4}$ oz. \$3.50 $\frac{1}{8}$ oz. \$2.00 Pkt. 50c.

Swiss Alp Glow. A separate color selected from the very popular *Swiss Giants*. The color is rich velvety garnet red or dark scarlet, almost everblooming and extra large flowers.

5 pkts. \$2.00 Pkt. 50c.

Mrs. Pierre S. du Pont. An entirely new shade, rich golden apricot flushed with salmon, large flowers on good long stems and almost everblooming. Will provide a gorgeous display in mass beds and especially in contrast to our *Thuner Sea* or a purple Pansy. Also a splendid ground cover for purple or blue Tulips in Spring beds. 5 pkts. \$3.50 Pkt. 75c.

Ullswater. See *Thuner Sea*.

Bowle's Black. *Baby Pansy*. Very small, about the size of one's thumbnail; true jet black color, with a small golden yellow eye. Comes true from seed. *Rare, and the seed is scarce.*

Pkt. 50c.

For other Pansies, see our General Catalogue.

PARNASSIA palustris (Grass of Parnassus)

Elegant, dwarf plant for damp positions on the rockery or for the bog garden. Hardy perennial with masses of pure white flowers. Height 6 inches. Pkt. 50c.

PHACELIA tanacetifolia

Annual. For display and cutting. 1½ feet.

Large, compact heads of pale mauve flowers, valuable for bees. Oz. \$1.50 $\frac{1}{4}$ oz. 50c. Pkt. 15c.

T.T.S.

NEW PHLOX drummondii
Tall Large Strawberry Pink

Note !

Seeds of items marked + have been treated by us with a special preparation of our own as a preventive against seed carried diseases.

All varieties marked R are suitable for rock and alpine gardens.

Finest Mixed.

Oz. \$3.00 $\frac{1}{4}$ oz. \$1.25 Pkt. 30c.

POLYGONUM

Annual. For display and cutting. 3 ft.

Ruby Gem. An exceedingly pleasing form of branching *Persicaria*, bearing numerous spikes of rich ruby flowers. Pkt. 50c.

POMEGRANATE

ODD CHRISTMAS PLANT

Greenhouse ornamental plant.

The first flowers should be kept nipped off until well on into September when they will begin to take on a general crop for December and lasting for several months later. Makes an unusual and acceptable Christmas or New Year plant.

Oz. \$1.50 $\frac{1}{4}$ oz. 50c. Pkt. 15c.

POPPY (Single Iceland)

Perennial. For borders and rockeries

The Wonder. Flowers as big as "Tea Cups" in about 15 colors. This is the most sensational break in Giant Iceland Poppies. *Award of Merit*, R. H. S.

5 pkts. \$3.50 Pkt. 75c.

PETUNIAS

"We supply originators' seeds only."

SINGLE GIANT PETUNIAS

Diener's Pink Glory. Immense blossoms of flaming clear rose pink, without a trace of purple. Slightly ruffled.
5 pkts. \$4.50 Pkt. \$1.00

Trivett's Empress. Extra large, fringed flowers of lilac blue veined with dark blue. 5 pkts. \$4.50 Pkt. \$1.00

Trivett's Floretta. Large blossoms, nicely ruffled edges. The color is clear steel blue veined with dark blue. *Highly recommended.*

5 pkts. \$7.00 Pkt. \$1.50

Trivett's Theodosia. Magnificent large frilled and ruffled flowers of immense size. Pure rose pink with golden throat. *Very choice.*

5 pkts. \$9.00 Pkt. \$2.00

King Alphonso. Large, boldly waved and fringed flowers of very dark crimson, deepening to black in the throat.

5 pkts. \$4.50 Pkt. \$1.00

DOUBLE GIANT PETUNIAS

Produces about 35% double.

Trivett's Brilliant Rose. Lovely shade of bright rose.
5 pkts. \$4.50 Pkt. \$1.00

Lady of the Lake. Immense double fringed, pure white.
5 pkts. \$4.50 Pkt. \$1.00

Trivett's Lilac Queen. New silvery lilac, large double blossoms. Plain edged.

5 pkts. \$4.50 Pkt. \$1.00

Trivett's Peony Flowered. These are the real monsters; immense ruffled and fringed double flowers, measuring 4 to 5 inches across and in a wide range of beautiful and strange colors. In mixture only. *Be sure to watch for the latest and weakest seedlings, these may be the best.*

5 pkts. \$10.00 Pkt. \$2.50

BEDDING PETUNIAS

Trivett's Blue Gem. Introduced by us in 1929. Splendid habit, the flowers are clear midblue, a real blue Petunia. Medium size flowers. Ideal for bedding. Height 18 inches.

5 pkts. \$3.50 Pkt. 75c.

Trivett's Crimson Bedder. Single, medium sized flowers of brilliant, rich red. Try this edged with dwarf yellow Annual Phlox.

5 pkts. \$3.50 Pkt. 75c.

Trivett's White Cloud. Large flowered, about 3 inches across, but on dwarf, bushy plants, only 12 inches high, producing a veritable cloud of snow white. Useful for any purpose.

5 pkts. \$2.25 Pkt. 50c.

Trivett's Double Rosy Gem. Brilliant rose for bedding, etc. About 12 inches high. ... 5 pkts. \$2.25 Pkt. 50c.

T.T.S.

NEW CHINESE PRIMULA—Trivett's Strawberry Red

T.T.S.

NEW CHINESE PRIMULA
Trivett's Double Carnation Flowered

PRIMULAS

"We supply originators' seeds only."

CHINESE PRIMULAS

Trivett's Strawberry Red. Grown for us by an English Primula specialist. *Greenhouse saved seed.* The color is dark strawberry red, washed over with a coppery red shade.

5 pkts. \$6.50 Pkt. \$1.50

Trivett's Orange King. Beautiful, rich, orange color toned with a wash of salmon; magnificent.

5 pkts. \$6.50 Pkt. \$1.50

Sutton's The Duchess. (*Sutton's Seed.*) Large white flowers with a zone of bright carmine surrounding a clear yellow eye.

5 pkts. \$6.50 Pkt. \$1.50

Sutton's Reading Blue. (*Sutton's Seed.*) One of the best blue Primulas; fine, upright trusses.

5 pkts. \$6.50 Pkt. \$1.50

Sutton's Reading Ruby. (*Sutton's Seed.*) Rich, ruby color, invaluable for dinner table decoration. Lovely shade under artificial light.

5 pkts. \$6.50 Pkt. \$1.50

Trivett's Double Carnation

Flowered. In this new Primula we have a splendid novelty. The Carnation-like blooms are twice the size of the old type, attaining a diameter of about 2 inches (*see illustration.*) This wonderful new double Chinese Primrose reproduces itself almost entirely true from seed and comes in a fine range of colors. *Mixture only.* 5 pkts. \$6.50 Pkt. \$1.50

PRIMULA OBCONICA

Trivett's Triumph Rose. Brilliant dark rose, immense trusses of extra large blooms on robust, compact plants. *Highly recommended.*

5 pkts. \$7.50 Pkt. \$1.75

Trivett's Triumph Red. Similar to above, but of rich, glowing red color.

5 pkts. \$7.50 Pkt. \$1.75

STAR PRIMULAS

Trivett's Ruby Star. Beautiful, dark, rich ruby color.

5 pkts. \$6.50 Pkt. \$1.50

Sutton's Dark Blue Star. (*Sutton's Seed.*) Attractive violet blue with yellow eye. ... 5 pkts. \$6.50 Pkt. \$1.50

PRIMULA MALACOIDES

Trivett's New Blue. Splendid, large-flowered, pure blue sort.

5 pkts. \$4.50 Pkt. \$1.00

Trivett's New Crimson. Another new color we have added this year. Rich, bright crimson. 5 pkts. \$4.50 Pkt. \$1.00

Sutton's Eclipse. (*Sutton's Seed.*) Plants are dwarf in habit, producing very large, individual flowers of deep lavender pink.

5 pkts. \$6.50 Pkt. \$1.50

Sutton's Achievement. (*Sutton's Seed.*) Another choice sort which we procure direct from the originator. Nicely rounded, large flowers of clear rose pink.

5 pkts. \$4.50 Pkt. \$1.00

PYRETHRUM

Perennial. For cutting and borders.

Trivett's Ruby Red. Rich, deep red single flowers. Pkt. 50c.

Trivett's Scarlet. The brightest color. Flowers extra large, single. Pkt. 50c.

RANUNCULUS

Greenhouse perennial for cutting.

Giant Palestine Mixed. *Award of Merit*, R. H. S. Without question the largest and finest type yet introduced. Wonderful range of rich colors. Long, strong stems for cutting. Pkt. 50c.

RUDBECKIA (Annual)

Golden Sunset. Attractive annual of great merit, compact plants covered with golden yellow flower marked with chestnut. Height 1½ feet. Autumn flowering; splendid for cutting. Pkt. 50c.

SALVIA SPLENDENS OR BONFIRE TYPE

Annual. For bedding. Height 18 inches.

Trivett's Parma Violet. Producing long flower spikes, similar in shade to the well known Parma Violet. Pkt. 50c.

Trivett's Rose Pearl. Splendid bedder or border plant. The flowers are bright, true rose shaded with salmon. Pkt. 50c.

Trivett's Salmon Pearl. Dwarf compact plants above 15 inches high, covered with flower spikes of rich salmon-pink. Splendid for bedding, borders, pots, etc. *Illustrated.* Pkt. 50.

Trivett's White Pearl. Producing abundance of snowy white flowers. A charming companion to our Rose Pearl. Pkt. 50c.

OTHER SALVIAS

Salvia of the Vatican Gardens. A handsome selected variety of "*Salvia sclarea*," coming originally from the Vatican gardens. It forms a handsome plant 5 feet high with broad foliage and graceful heads of lavender and white flowers with silvery pink leaf bracts. *Hardy biennial.* Pkt. \$1.00

Trivett's Improved Farinacea. A much improved form of the popular *Salvia farinacea*, being of more compact growth and producing flowers of a deeper and better blue. 5 pkts. \$2.00 Pkt. 50c.

SALPIGLOSSIS

TREATED SEEDS

Sutton's Chelsea Hybrids. *Sutton's Seed.* The wonderful strain, including all the brightest colored and largest flowered varieties which won the Gold Medal at the Chelsea Show in England. Pkt. \$1.00

T.T.S. NEW ANNUAL SALVIA
Trivett's Salmon Pearl

T.T.S. NEW PERENNIAL SCABIOUS, *Goldingensis*

T.T.S. NEW SCHIZANTHUS, Trivett's New Giants

SAXIFRAGA

Perennial. For rockeries, walls, etc.

Bathoniensis. Very handsome variety, bright rosy scarlet flowers, mossy type. Height 12 inches. Pkt. 50c.

Lantoskana Superba. One of the finest of the encrusted varieties; lovely white flowers in large, arching panicles. Height 12 inches. *Should have sunny position in the rockery.* Pkt. 50c.

Longifolia. (The Queen of Saxifragas). Handsome rosettes of long narrow, "frosted" foliage; erect branching panicles of white flowers. Pkt. 50c.

Mossy Sorts Mixed. Includes all the finest varieties of this class; valuable for rockeries, edging, etc. Pkt. 50c.

Encrusted Sorts Mixed. Including many choice varieties for rocks, walls, etc. Pkt. 50c.

SCABIOUS

ANNUAL

Annual. For cutting. 2½ feet.

Giant Shasta. Bearing on long stems, large flowers, snowy white, often 3½ inches across. Pkt. 35c.

Giant Peach Blossom. A charming shade of Peach blossom pink. Splendid large blossoms. Pkt. 35c.

TRIVETT'S BABY SCABIOUS

Mixed. Charming miniature annual Scabious growing about 8 inches in height. The bushy little plants are almost 12 inches wide and covered with extra double flowers. Valuable for edging, bedding, etc.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 35c.

PERENNIAL SORTS

House's New Giants. A beautiful strain of the *Caucasica* type. Very large flowers. The colors range from light azure, lavender to deep blue and white. Pkt. 75c.

Columbaria, Rosy Mauve. *New!* Handsome flowers, 2 to 2½ inches across on long, wiry stems, splendid for cutting; decorative, lacinated foliage. Pkt. 50c.

Goldingensis. *New!* A very fine strain of *S. caucasica*, large flowers of fine, deep lavender color. Long stems. Pkt. 75c.

SCHIZANTHUS

Greenhouse flowering plant.

Trivett's New Giants. We have been fortunate in securing this grand strain for our customers. Immense flowers in many colors on plants of fine habit, which can be grown on into wonderful large specimens if desired by repotting. 5 pkts. \$4.50 Pkt. \$1.00

SENECIO *clivorum*

Perennial. For banks of ponds, etc. Strong growing, hardy perennial with rich orange yellow flowers and bold foliage, well adapted for the side of ponds, streams and damp places. Height 4 to 5 feet.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 25c.

SHASTA DAISY

Perennial. For cutting and borders.

FOR MAY FLOWERING

Trivett's May Wonder. The plants begin flowering in May just at a time when cut flowers are scarce in the garden. Our *May Wonder* produces double and semi-double white flowers on fine, stout stems. Very valuable for cutting and perennial borders. Height about 2½ feet.

5 pkts. \$2.25 Pkt. 50c.

FOR JUNE FLOWERING

Trivett's June Cream.

Charming cream color, just a little change from the decided *Paperwhite* of most Shasta Daisies. Large flowered, good stems for cutting. About 3 feet high.

5 pkts. \$1.00 Pkt. 25c.

For June Flowering, see also Alaska and W. Australia in our General Seed Catalogue.

FOR JULY AND LATER

Mrs. C. Lowthian Bell.

This magnificent white *Marguerite* is one of the largest flowered. The flowers are purest white, about 5 inches across on strong, stout stems. This sort will continue to bloom all Summer and into Autumn. Height about 3 feet.

5 pkts. \$1.50 Pkt. 35c.

For July Flowering, see also King Edward and Robinsoni in our General Seed Catalogue.

SOLANUM

CHRISTMAS CHERRY
CLEVELAND CHERRY

TREATED

SEEDS

Ornamental greenhouse pot plant.

Trivett's Red. A Cleveland Cherry of great improvement over the regular red Cleveland Cherry. The plants are more compact and bushy and the scarlet red berries are produced in greater abundance.

5 pkts. \$2.25 Pkt. 50c.

Yellow Cleveland Cherry. This is the regular type with yellow berries. Makes a good contrast against the red. 5 pkts. \$2.25 Pkt. 50c.

Bird's Eye. Unique and attractive little pot plant. Forms bushy little plants which become covered with acorn-shaped fruit. A plant at one and the same time will carry flowers and berries and the latter will be at different stages, some being white, yellow, blue, purple and red as they ripen. 5 pkts. \$2.25 Pkt. 50c.

Solanum, Jerusalem Cherry.

See our General Catalogue

CLEVELAND CHERRY (SOLANUM)—Trivett's Red

T.T.S.

STOCK—Zephyr

T.T.S.

SWEET WIVELSFIELD

STOCKS

TREATED SEEDS

TRIVETT'S GREENHOUSE TYPE

The best of all for forcing and Winter flowering under glass. The plants are extra early flowering requiring only about 12 weeks from the time the seedlings are benched or potted. Strong, healthy growth, about 2½ feet in height and of branching habit, producing innumerable large flower spikes measuring from 12 to 16 inches long, covered with extra large, double individual blooms. The percentage of "doubles" will be found, as a rule, exceptionally high!

Quick, early flowering crop.

Trivett's Greenhouse

- Old Rose
- Yellow
- Lavender
- Purple
- Deep Pink
- Light Pink
- Blood Red
- White

For quick growing and early flowering, we strongly recommend the above sorts.

Price, each of above colors

¼ oz. \$3.00 ⅛ oz. \$1.75
Pkt. 75c.

STOCK

TREATED SEEDS

Zephyr. This beautiful stock may be classed with the Giant Beauty types. In color it is the most delicate lavender blue, producing a main middle stem and numerous side shoots for cutting. Pkt. 50c.

STREPTOSOLEN

Greenhouse plant. Height 3 to 4 feet.

Jamesoni. Lovely plant of elegant habit, bearing corymbs of showy brilliant orange yellow flowers. Similar to Lantana. Can be trained as a climbing plant. . . . Pkt. \$1.50

SWEET WIVELSFIELD

Annual. For bedding, cutting, etc.

A new annual flowering plant obtained by crossing *Dianthus allwoodi* and *Sweet-william*. It is distinct in habit and freedom of growth. Wonderful colors. The flowers are produced in trusses or bunches like a large, loose head of *Sweet-william*, but the individual florets resemble small single Carnations or Pinks. (In mixture only.)

5 pkts. \$2.25 Pkt. 50c.

(See next page)

1931 NOVELTIES

ENGLISH-GROWN SWEET PEAS

TREATED  SEEDS

RAISER'S DESCRIPTIONS IN ALL INSTANCES

Amethyst (Dobbie). Bright, clear amethyst blue. Everyone should grow this superb novelty. It is a great advance over its predecessors in this color class. A vigorous grower, the flowers are exceptionally large and wavy, and are freely produced on long stems of great strength. Pkt. (12 seeds) 50c.

Blue Ribbon (Cullen). We have not yet seen a variety so strikingly rich in gentian blue coloring as *Blue Ribbon*. The standard of the flowers is very large, well waved and of deep blue color, shaded purple. The wings are brightest gentian blue; very strong grower. Pkt. (12 seeds) 50c.

Captain Blood (I. and H.) Grown at the *National and Scottish Sweet Pea Trials* as S. 29. This outstanding novelty introduces a new color hitherto unseen in Sweet Peas. Its name suggests red; it is more than that—it is a brilliant blood scarlet veneered with a delightful shade of copper. Flowers of magnificent size and substance on good stems that will please the most exacting exhibitor. Pkt. (12 seeds) 50c.

Celebrity (Morse). We offer *Celebrity* as the most vigorous growing orange colored Sweet Pea. The flowers are unusually large and the stems long and strong. Exhibitors who shade their flowers will find *Celebrity* a marvelous dark orange color. Pkt. (30 seeds) 50c.

Conqueror (Morse). Large, glowing cherry cerise, the color is quite distinct from any of the scarlet red sorts. The vines are vigorous and the flowers borne on fine, strong stems. The color will even improve under bright sunshine and under artificial light is very attractive. Pkt. (30 seeds) 50c.

Damask Rose (Cullen). *Award of Merit*, N. S. P. S. trials, 1930. The shade of the old-fashioned Damask Rose, but brightened by a lustrous carmine sheen. The large, well frilled flowers are freely produced on long, stout stems, generally four to a stem. Grand exhibition sort. Pkt. (12 seeds) 50c.

Dream (Stevenson). Beautiful salmon buff; the standard is deeper in color than the wings; growth is vigorous and the flowers large and beautifully formed. Exceedingly dainty variety. Pkt. (12 seeds) 50c.

Eosine (Morse). A fine novelty of the long-stemmed type. According to our chart, the color is a shade of Eosine pink with a wash of salmon. Exceedingly large blooms on very stout stems. We predict that *Eosine* will be a great favorite with exhibitors. Pkt. (30 seeds) 50c.

Fantasy (Unwin). "Out of the usual" and will not fail to attract attention. Rich, chocolate maroon splashed over a cream ground; a pleasing color-blending not previously met with in Sweet Peas. Pkt. (15 seeds) 50c.

Fire (Burpee). Flaming red illuminated by a glow of deep cerise. *Fire* has a tendency to produce five-flowered sprays. The vines are vigorous, carrying an abundance of long-stemmed, duplex blooms. *Certificate of Merit*, Scottish Sweet Pea Society. Pkt. (20 seeds) 50c.

Good Cheer (Morse). Awarded the *Silver Medal* at the Scottish Sweet Pea Society's trials. The flowers are huge when well grown, and are a lovely shade of deep Begonia rose. We consider *Good Cheer* a great flower for the exhibitor and for general garden culture. (*Illustrated on page 21.*) Pkt. (30 seeds) 50c.

Innocence (Unwin). The finest white Sweet Pea yet introduced, and we believe it will very quickly become the most popular in its class. It is dark seeded, a most vigorous grower, and nothing is lacking in size of bloom, length of stem, form and substance of petal. Pkt. (15 seeds) 50c.

Joan Curtis (Bolton). *First Class Certificate*, N. S. P. S. A pink Pea in which salmon is toned with flesh; its flowers are deeply waved and attain exhibition size and quality. A most important characteristic being that it is entirely sunproof. Pkt. (12 seeds) 50c.

Laddie (I. and H.) Grown at the National Sweet Pea trials as S. 218. We have every confidence that *Laddie* will become one of the most popular varieties in commerce. Beautiful apricot cream pink that is distinct from any existing variety. Identical in color to the popular *Carnation*, *Laddie*. The flowers are nicely ruffled, nearly every blossom being duplex, of large size and on fine stems. Pkt. (12 seeds) 50c.

Loch Lomond (Bolton). *First Class Certificate*, N. S. P. S. The richest of the mahogany shades brightened by a lustrous sheen, as rich and distinctive as the color of the finest panels of old mahogany wood. No magenta or purple mars its beauty. The flowers are large, finely modeled and well placed on strong rigid stems. On the exhibition table it will be outstanding and in the garden will command attention. Pkt. (12 seeds) 50c.

Memories (Dobbie). A charming name for a very delightful and fascinating Pea. The color tone is bright yet pale rose cerise. The flowers are large and beautifully waved and fluted and almost every stem carries four blooms with sometimes five. A truly grand sort. Pkt. (12 seeds) 50c.

Orange Flame (Burpee). The deepest of all orange Sweet Peas. Like the color of a fully ripened tangerine orange. The flowers are well proportioned, large, heavy and substantial. Pkt. (20 seeds) 50c.

THE FINEST THE WORLD PRODUCES

Pink Glow (King). *Silver Medal*, Dutch N. S. P. S.; *Award of Merit*, National Sweet Pea trials, 1930. Winner of *First Prize*, *Table Decoration Class*, National S. P. Show. A grand pink flushed with bright salmon which gives the flower a glowing appearance.

Sold out.

Ruffled Orchid (Burpee). Lovely lavender rose, typical of certain *Cattleya* Orchids. The flowers are well ruffled and frilled and are gracefully arranged on long, strong stems. *Ruffled Orchid* is the fourth of the grand Ruffled family. *Honorable Mention* by the Sweet Pea Society of Great Britain.

Pkt. (20 seeds) 50c.

Sonny Boy (King). *Award of Merit*, N. S. P. trials. *Award of Merit*, Dutch S. P. S. F. C. C. Brussels, 1930. A new color in Sweet Peas and quite distinct. A fine, bold flower of brilliant vermilion red with a velvety sheen of remarkable substance. Freely produced four-flowered stems. Pkt. (12 seeds) 50c.

The Flag Lieutenant (I. and H.) Intense navy blue, the wings are pure violet, while the standard is overlaid with a beautiful indigo blue sheen. A most vigorous grower, producing five bloom sprays of gigantic form that will prove a great acquisition in every exhibition collected and garden.

Pkt. (12 seeds) 50c.

Tip Top (Hurst). *Silver Medal*, S. N. S. P. S. trials. The nearest approach to a true blue Sweet Pea that we have seen. Large flowers of good form are produced in abundance and nicely placed on the stems. Grand for the exhibition stand and in the garden. Pkt. (10 seeds) 50c.

Yule Log Glow (King). Imagine the glow of a Yule log and the rich fiery orange red at once impresses one with the warmth of beauty reproduced in this variety. Large, duplex flowers in abundance. Pkt. (12 seeds) 50c.

GIANT SWEET PEAS

for Keen Exhibitors and Those Who Demand the Best

1930 NOVELTIES

TREATED  SEEDS

RAISER'S DESCRIPTIONS (ABRIDGED) IN ALL INSTANCES

All Bright (Morse). Brilliant shade of scarlet cerise suffused with orange; this sort will top the list of Red Sweet Peas, the stems have great length and usually bear four flowers. There is not the slightest trace of burning.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Ascot. A truly beautiful variety of the most pleasing, clear pink color. The blooms are of largest size, well formed and intensely frilled. An exhibition sort of the highest class.
Oz. \$1.50 ½ oz. 80c. Pkt. 30c.

Beatall (Bolton). *Award of Merit*, N. S. P. S., 1929. A pink which surpasses all others in richness and brilliancy. Salmon tints merging with rose produce a distinct shade. Massive flowers and beautifully frilled standards are borne on excellent stems. The plants are strong and vigorous. *Beatall* is a wonderful Pea.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Big Ben (King). *Award of Merit*, N. S. P. S., 1929. New and distinct color belonging to the fancy section. A wash of crimson scarlet over a cream ground. A rampant grower of huge, duplex flowers on long, stiff stems.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Blue Bell (Bolton). A superb novelty. The true blue of the Scotch Blue-bell; of astonishing vigor, producing its immense blossoms in great profusion.
Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

Blue Flame (Morse). The largest dark blue Sweet Pea in existence; although deeper than the blue of *Mrs. Tom Jones*, yet it is not a navy blue, it is a real true deep blue. Four flowers to a stem, delightfully fragrant. A grand exhibitors' Pea.
Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

Boy Blue. Considered by many as the best bright blue. Beautifully modeled blossoms, nicely placed on strong, stout stems.
Oz. \$1.50 ½ oz. 80c. Pkt. 30c.

Cambria (Bolton). Shining rose pink on a white ground, full of life and radiance. The flowers are very large, the stems are long and strong. Grand exhibition sort.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Cherrio (King). Distinct from and better than *Tom Webster*. Lovely clear blue; one of the best in this color class and worthy of a place in every high class collection.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Cherry Glow (I. and H.) For the exhibitor *Cherry Glow* will produce flowers of rare size and strength, beautiful, glistening cherry pink; retains pureness in water and even improves its rich shade under artificial light.
Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

Clarion (Dobbie). The wings are of violet tone and the standards violet flushed with rose, four and five flowers on long, strong stems; robust constitution. One of the most popular prize winners in Europe during 1929.
Packets only, Pkt. (50 seeds) 50c.

Flaming June (Carter). Secured First Prize in novelty class, 1930. Reserved for the *Gold Medal* at the trials of the N. S. P. S. *Certificate of Merit*, Scottish trials. A flaming scarlet cerise which revels in the strongest sunshine; of giant size, perfectly formed and waved. Splendid for exhibition or the garden.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Glen Eagles. Very large, frilled flowers of soft lavender blue. A most desirable sort and one of the best in this color class.
Oz. \$1.50 ½ oz. 80c. Pkt. 30c.

Golden West (Stark). The rich bronze of a sunset describes the color of this beautiful Pea; large size, grand for exhibition, slight shade will improve the beautiful color for exhibition.
Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Kia-Ora (Stark). Deep maroon. The color reminds one of a glass of old Port. An exhibition sort of the first class.
Packets only, Pkt. (50 seeds) 50c.

Leviathan (Stark). *Certificate of Merit*, Scottish Trials; *Special Silver Medal*, Peterboro. A giant Sweet Pea of glowing rich maroon. Even grown in the ordinary way the flowers are of exhibition size. We recommend growing on at least two stems for exhibition. The flowers are both duplex and triplex and are beautifully frilled. Undoubtedly at the head of this color class.
Packets only, Pkt. (50 seeds) 50c.

Lilac Time (Stevenson). Quite distinct, unique shade of lavender lilac and extremely vigorous growth.
Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

Lolly. A lovely salmon pink; immense blooms of very refined form, produced freely on long, strong stems; vigorous vines.
Oz. \$1.50 ½ oz. 80c. Pkt. 30c.

Magnet. Bright cream pink. Lovely, well formed flowers of large size on strong, long stems. Ideal for exhibition or garden.
Oz. \$1.00 ½ oz. 60c. Pkt. 25c.

Orange Picture (I. and H.) An outstanding advance. The largest and most sunproof pure orange yet raised.
Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

FOR 1931 NOVELTIES SEE PREVIOUS PAGES

Ruffled Rose. A giant of the ruffled class, a rich shade of rose with salmon sheen. Truly gigantic in size. Six sprays make a bunch more massive than twenty ordinary Peas. Grand for exhibition.

Oz. \$2.00 ½ oz. \$1.25 Pkt. 35c.

Satin Mauve (Unwin). A clean, deep satiny mauve self, richer and deeper in tone than any other of this color section; large, frilled flowers well placed on long stems.

Packets only, Pkt. (50 seeds) 50c.

Sweet Seventeen (Carter). *First Prize* in the novelty class in the N. S. P. S. Show at Bournemouth under the name of *The Duchess*. It is an entirely new shade. The delicate cream ground, combined with pure blush pink, suggests the freshness of English girlhood—thus it was renamed *Sweet Seventeen*. Should be included in every collection.

Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

Tally Ho! (King). A color that has captured the keen exhibitor's eye; brilliant, bright cherry cerise. Five-flower stems of huge blooms are freely produced.

Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

The Admiral (Cullen). *Award of Merit*, N. S. P. S. The largest and best navy blue Sweet Pea. The plant is vigorous and free flowering. The long stems carry four to five very large blossoms, beautifully frilled. Does not burn.

Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

The Fawn (Burpee). *The Fawn*, in our opinion, is the most ravishing ever known in Sweet Peas. It is a combination of yellow and pink, perfectly blended in an exquisite shade of chamois pink suffused with amber. The coloring is different from any other Sweet Pea in existence.

Packets only, Pkt. (50 seeds) 50c.

Violet Gem (Bolton). *Award of Merit*, N. S. P. S. *Violet Gem* is violet, rich and lustrous, with a melting suffusion of the wine tints, magnificent in size and substance. Unequalled under artificial light.

Oz. \$3.00 ½ oz. \$1.75 Pkt. 50c.

T.T.S.

GREENHOUSE SWEET PEA—Early Apollo

Early Apollo (Long Stem). One of the new race of long-stemmed early Sweet Peas. The color is soft salmon cerise, or soft salmon pink. Flowers are unusually large, nicely waved and splendidly placed on long, sturdy stems. *Awarded Silver Medal, New York Flower Show, 1930; Certificate of Merit, Chicago Flower Show, 1930.*

Oz. \$3.00 ½ oz. \$1.75 Pkt. 60c.

Early Pal (Long Stem). Scintillating, rich rosy crimson, beautifully formed, large blossoms on the newly developed long-stemmed type. *Silver Medal, New York Flower Show, 1930; Certificate of Merit, Chicago Flower Show, 1930.*

Oz. \$3.00 ½ oz. \$1.75 Pkt. 60c.

Early Vogue (Long Stem). Charming, sweet-scented lavender. The flowers are large, beautifully waved and well placed on long stems. *Certificate of Merit, Chicago Flower Show, 1930.*

Oz. \$3.00 ½ oz. \$1.75 Pkt. 60c.

Early Oriental. Splendid black-seeded, deep rich cream without the slightest trace of pink. The large flowers appear in fours on long, sturdy stems. The best creamy yellow to date.

Oz. \$2.00 ½ oz. \$1.25 Pkt. 50c.

Early Marine. The clearest of all blues. A real true blue self; immense blossoms well placed on long, sturdy stems, freely produced over a long period of time. *Certificate of Merit, New York Flower Show, 1930.*

Oz. \$2.00 ½ oz. \$1.25 Pkt. 50c.

Early Red Bird. Bright crimson red with a velvety sheen of Tyrian rose; very large, free flowering, and long stemmed. *Red Bird was awarded a Silver Medal and four Certificates of Merit.*

Oz. \$3.50 ½ oz. \$2.00 Pkt. 60c.

Early Silver King. Campanula blue, clear silvery blue, a fascinating new shade. Beautifully formed large blossoms; free flowering and sturdy. *Awarded four Certificates of Merit.*

Oz. \$3.50 ½ oz. \$2.00 Pkt. 60c.

TREATED + SEEDS

ALL SWEET PEA SEEDS SOLD BY US ARE TREATED WITH A SPECIAL PREPARATION OF OUR OWN,
AS A PREVENTIVE AGAINST SEED CARRIED DISEASES

TROLLIUS (Globeflower)*Perennial. Cutting and borders.*

Ledebouri, Golden Queen. The plant is very vigorous, grows from 3 to 4 feet in height, but its chief value lies in the size of the flowers and the intense orange color, the extreme floriferousness and the constancy with which it flowers in Autumn as well as early Summer. It comes practically true to type from seed. Most Trollius are rather uncertain to raise from seed when sown in Spring, but one of the greatest recommendations this introduction has, is that the seed germinates freely when sown in the Spring. *Trollius ledebouri Golden Queen* received an *Award of Merit* from the R. H. S. Pkt. 50c.

TROPAEOLUM**TRIVETT'S BABY TYPE***A charming annual for bedding, edging, etc.*

This type may be described as miniature dwarf Nasturtiums, forming small, compact plants about 6 inches high with small leaves and small flowers in great profusion.

Trivett's Baby Rose. Creamy white with bright rose pink spots.

Trivett's Baby Cherry. Wine red.

Trivett's Baby Scarlet. Bright color.

Trivett's Baby White. Creamy white.

Trivett's Baby Mixed. A grand mixture of all colors including many leading shades.

Each of above, oz. 50c.

TROPAEOLUM lobbianum**(Lobb's Nasturtium)**

A climbing annual Nasturtium with small flowers and small, dark leaves.

French Hybrids. A fine mixture of attractive colors with dark colored leaves. Oz. 35c.

URSINIA anethoides*Annual. Bedding and cutting.*

New annual Daisy from South Africa, growing about 1 foot high; the orange colored flowers measure about 2 inches across and each have a deep purple zone around the center. Makes a good pot plant for the greenhouse. If grown outside, give a sunny position. *Try this orange Daisy combined with Helio-phila as vase decoration.* Pkt. 25c.

VENIDIUM fastuosum*Annual. For cutting. 2½ feet.*

Another South African introduction, similar to a large single Calendula. The rich orange flowers are marked with a black purple center and are borne on stout stems; splendid for cutting. A good cut flower for the greenhouse. In the garden, give a sunny position. Pkt. 50c.

VIOLA TREATED + SEEDS*Biennial. Bedding, edging, etc.*

Avalanche. A white bedding Viola which comes perfectly true from seed; forms compact plants which practically cover themselves with large, round shaped white flowers. (Illustrated.)

5 pkts. \$2.00 Pkt. 50c.

Complete list of Violas, see our

General Seed Catalogue

VIOLETS (Sweet Violets)*Perennial. Rockeries, woodland, etc.*

Odorata, The Czar. Large fragrant deep violet flowers. Pkt. 50c.

Sweet Purple. Rich purple color. 5 pkts. \$1.00 Pkt. 25c.

Mixed. Many sorts in mixture. Ideal for sowing on banks of pools, under trees, etc. Sweet scented.

Oz. \$3.00 ¼ oz. \$1.00 Pkt. 20c.

VIOLA tricolor**(Old-fashioned Wild Pansy)**

Johnny-Jump-Up. The probable ancestor of the modern Pansy, also known as "None-So-Pretty". Purple, blue and yellow are the three colors that give them their name and the combinations are variable. Sometimes there will be a yellow blossom and below it on the same stalk one of yellow and blue, etc. Ideal for naturalizing beside pools, in woodlands, shady rockeries, as a ground cover for Iris beds and other naturalized plantings. The tiny flowers first appear during early Spring. Hardy perennial. *Use seed liberally when sowing in woodlands*

Oz. \$1.50 ¼ oz. 50c. Pkt. 10c.

VERBENA TESTED + SEEDS*Annual. For bedding, edging, etc.*

Massive Salmon. Lovely new rich color, extra large florets in massive bunches. The florets have a distinct white eye. Comes true from seed. 5 pkts. \$3.50 Pkt. 75c.

Massive Royal Blue. ("Improved Royale".) Rich velvety royal blue with attractive, creamy yellow eye.

Oz. \$6.00 ¼ oz. \$1.75 Pkt. 35c.

Trivett's Golden Yellow. A new sort which we consider the best yellow so far introduced.

Oz. \$6.00 ¼ oz. \$1.75 Pkt. 35c.

ZINNIA, Lilliput + TESTED SEEDS*Annual. Bedding and cutting.*

Canary Gem. Pale soft yellow.

Crimson Gem. Rich deep red.

Golden Gem. Golden yellow.

Salmon Gem. Lovely salmon rose.

Scarlet Gem (RED RIDING HOOD). Very attractive.

Purple Gem. Rich deep purple.

Each, ¼ oz. \$1.00 Pkt. 35c.

NEW VERBENA. Trivett's Golden Yellow

A peculiar dull red with dusky bluish gray stripes; a very striking variety.

100 \$8.50 25 \$2.25 Doz. \$1.25

Betty Nuthall.

Light coral,

with pale orange throat and a light feathering of carmine. Flowers often 6 inches across. Of splendid substance and well placed on tall, strong spikes. *One of the best of later introduction.*

100 \$75.00 25 \$20.00 Doz. \$11.00

Break o'Day.

Soft pink,

or *La France Pink* flushed with cream. Tips of petals are a deeper shade of pink and there is a zone of light yellow on lower petals with delicate center line of red. *Very early flowering.*

100 \$7.00 25 \$2.00 Doz. \$1.25

Capt. Boynton.

Lavender,

with deeper blotch on lower petals. Perfectly placed large flowers, strong stems.

100 \$12.00 25 \$3.50 Doz. \$2.00

Chateau Thierry.

Orange red,

with yellow border blotch of red on lower petals; fine flowers; tall spikes.

100 \$6.00 25 \$1.75 Doz. \$1.00

Conspicuous.

New art shades.

Light blue with dark Pansy blue blotch in throat which is bordered with yellow. *Gives the impression of a Pansy.*

100 \$7.50 25 \$2.00 Doz. \$1.25

GOLDEN DREAM

Dr. F. E. Bennett.

Peach red,

overlaid with flame scarlet, throat speckled with ruby and creamy white; very large flowers of great substance. Many open at a time on strong stalk; sturdy, healthy grower.

100 \$14.00 25 \$4.00 Doz. \$2.50

Dr. Moody.

Lavender pink.

A lovely shade with faint markings on lower petals. Almost a self color. Tall, straight spikes with 8 or 10 blooms open at a time. It also produces several side spikes. Very attractive.

100 \$10.00 25 \$11.00 Doz. \$6.00

Emile Auburn.

New art shades.

Indescribable blend of rose and orange with a slaty gray overtone; scarlet and rose blotch on lower petals. A long spike of well placed flowers of most unusual coloring.

100 \$25.00 25 \$6.50 Doz. \$3.50

Fern Kyle.

Creamy white.

Large, heavily ruffled flowers, many open at same time, on long, strong, stems. A wonderful and very refined variety.

100 \$10.00 25 \$2.75 Doz. \$1.50

Geraldine Farrar.

Lavender blue

of pale shade with deep violet bluish on lower petals. Very choice sort.

100 \$25.00 25 \$6.50 Doz. \$3.50

Giant Nymph.

Light rose,

with creamy yellow throat; very large, wide open flowers well arranged on long, straight stems. *Grows about 6 feet tall.*

100 \$6.50 25 \$1.75 Doz. \$1.00

Golden Dream.

Pure yellow,

a clear golden yellow much better than *Golden Measure*. This variety is now the leader in its class.

100 \$18.00 25 \$5.00 Doz. \$2.75

Heavenly Blue.

Pale blue,

or delicate lavender blue; large flowers on strong, graceful stems; a variety of great refinement and elegance. A truly gorgeous color.

100 \$150.00 25 \$40.00 Doz. \$22.00

Henry Ford.

Dark purple,

a shade known as rhodamine purple; dark velvety Plum rose, good strong spikes.

LARGE FLOWERING GLADIOLUS—Continued

TREATED  BULBS

Top size bulbs only—the largest procurable of each variety

Herbstzauber. **Salmon copper.** A lovely warm shade of color. Very large flowers of exquisite form; tall growing and late in flowering.

100 \$35.00 25 \$9.00 Doz. \$5.00

Jack London. **Light salmon,** with vermilion stripes and canary yellow throat. Perfectly placed flowers on strong stems. Robust grower.

100 \$7.00 25 \$2.00 Doz. \$1.25

Joe Coleman. **Bright red,** with carmine blotch; very attractive, large ruffled flowers, many open at one time; good, strong grower.

100 \$6.00 25 \$1.75 Doz. \$1.00

Joerg's White. **Snow white,** the lower petals shade to creamy yellow in the throat. One of the largest flowers and almost as good as *Mammoth White*.

100 \$40.00 25 \$11.00 Doz. \$6.00

John T. Pirie. *New art shades.* Rich mahogany brown with yellow bearded brown throat, medium size; color combination reminds one of a dark, rich colored Japanese Iris. Most unusual and will command attention.

100 \$14.00 25 \$4.00 Doz. \$2.50

Lilac Wonder. **Lavender.** Pure delicate lavender; tall, straight spikes, flowers well placed. The nicest shade we have yet seen in Gladiolus.

100 \$19.00 25 \$5.00 Doz. \$3.00

Longfellow. **Clear pink.** A lovely shade of *La France Pink*. Tall, graceful wire spikes of large, wide open blossoms. Does not wilt or burn in the hottest weather. *Very choice.*

100 \$25.00 25 \$6.50 Doz. \$3.50

Los Angeles. **Shrimp pink,** with glowing orange pink blotch in throat; tall, strong stems. Usually two spikes to a bulb.

100 \$6.50 25 \$1.75 Doz. \$1.00

Mme. Mounet Sully.

White, or milky white with a large orange blotch. Flowers well arranged on good stems. A very attractive variety.

100 \$45.00 25 \$11.50 Doz. \$6.00

Mammoth White. **White.** Pure paper white, the largest flower of any Gladiolus we know of, measuring 7 inches in diameter. Straight spikes 5 feet tall, many flowers open at the same time.

100 \$250.00 25 \$65.00 Doz. \$34.00

Marmora. **Lavender gray,** with Petunia colored blotch. From 8 to 12 very large flowers open at same time on tall, strong stem. *One of the best Gladiolus ever introduced.*

100 \$75.00 25 \$20.00 Doz. \$11.00

Minuet. **Light lavender,** a beautiful clear shade. Extra large, heavily textured blooms on very strong stems. *This is the lavender by which all lavender Gladiolus are judged.* Considered by most growers as the best in its color class.

100 \$40.00 25 \$11.00 Doz. \$6.00

Mr. W. H. Phipps. **Pink.**

A charming shade of *La France Pink*, overlaid with a delicate wash of soft salmon rose, lighter towards the center, lower petals faintly striped and speckled with ruby. Very large flowers on extra heavy stems.

100 \$14.00 25 \$4.00 Doz. \$2.25

Mrs. F. C. Hornberger.

White. A pure white without any markings; nicely ruffled, wide open flowers on sturdy spike.

100 \$22.00 25 \$6.00 Doz. \$3.50

Mrs. F. C. Peters. **Lilac pink** with purplish blotch in throat; many large flowers open at a time on erect stems.

100 \$9.00 25 \$2.50 Doz. \$1.50

Mrs. Leon Douglas.

Begonia rose, striped with flame scarlet, lower petal pale yellow speckled with ruby; tremendously large flowers; many open at same time; very tall, strong stems. *Considered one of the finest Gladiolus in existence.*

100 \$7.50 25 \$2.00 Doz. \$1.25

Mrs. Van Konynenburg.

Aniline blue, lovely color; the best by far of any blue variety. Grows 5 feet tall; stems erect; flowers well placed, even the very last top flower opens up in its true color. *The best blue variety.*

100 \$55.00 25 \$15.00 Doz. \$8.00

Nancy Hanks. **Apricot.**

Lovely rich apricot changing to orange pink with grenadine tongue. Six or more flowers open at a time. Well arranged on good stems. *Will not burn in the hottest sun.*

100 \$9.00 25 \$2.50 Doz. \$1.50

Paul Plitzer. **Velvety purple,** massive flowers on very strong stems. Perhaps the finest dark purple Gladiolus.

100 \$65.00 25 \$18.00 Doz. \$10.00

Persia. **Dark mahogany.**

An unusual color, deep rich mahogany red. Will make a good contrast to the lighter colored sorts.

100 \$9.00 25 \$2.50 Doz. \$1.50

Pfitzer's Triumph.

Orange salmon. Bright orange salmon red with small, velvety red mark in throat. It is absolutely irresistible. Imagine flowers of great substance 6 to 7 inches across placed in a double row on great, strong stalks which grow 5 feet high, the last flower of which will open up true to color. *A single spike of this Super Gladiolus equals two or three of any other sort.*

100 \$48.00 25 \$12.50 Doz. \$6.50

T.T.S.

MRS. LEON DOUGLAS

GLADIOLUS—Continued

Phaenomen. A beautiful Gladiolus, the color blending of salmon pink and rich yellow is indeed charming. Perfectly placed flower on good, strong stems.

100 \$14.00 25 \$3.75 Doz. \$2.00

President Harding. Large wine red flowers shaded lighter toward the center. The throat is speckled with deep maroon red, with two small yellow stripes on lower petals. As many as 20 flowers on the spike; very strong, sturdy, tall spikes.

100 \$19.00 25 \$5.00 Doz. \$3.00

Purest of All. A splendid pure white variety of large size; straight spikes with well placed flowers.

100 \$25.00 25 \$6.50 Doz. \$3.50

Purple Glory. Deepest velvety maroon with almost black blotches; large ruffled flowers on very tall, sturdy stems. A real giant in all respects.

100 \$12.00 25 \$3.25 Doz. \$1.75

Rex. Brilliant scarlet, tremendously big flowers on enormous stems; one of the largest and tallest of all Gladiolus.

100 \$25.00 25 \$6.50 Doz. \$3.50

Richard Diener. Geranium pink with creamy yellow center, flaked with carmine. Immense ruffled flowers on tall, stately spikes.

100 \$9.00 25 \$2.50 Doz. \$1.50

Rita Beck. A clear shell pink with scarlet lines on lip. Immense blooms, six to eight open at a time on tall, erect stems. *Truly a super Gladiolus.*

100 \$60.00 25 \$16.00 Doz. \$9.00

Romance. Another charming *art shade* sort; orange salmon rose with red and yellow throat. A bluish border surrounds each petal. Medium sized flowers. *The color combination will not fail to command admiration.*

100 \$6.50 25 \$1.75 Doz. \$1.00

Saraband. Very large, wide open flowers of rich velvety wine color, with deep yellow blotch; tall spike. *A very unusual flower.*

100 \$30.00 25 \$8.00 Doz. \$4.25

Scarlet Wonder. Purest deep scarlet, mammoth flowers; many open at one time. Tall, stiff stems. *Truly a real giant.*

100 \$9.00 25 \$2.50 Doz. \$1.50

Sidney Plummer. Soft yellow suffused with delicate pink; the throat is slightly marked with amaranth purple. A ruffled giant.

100 \$12.00 25 \$3.50 Doz. \$2.00

Sunnymede. Beautiful shade of orange yellow with rich red blotch; tall spike with many flowers open at one time.

100 \$16.00 25 \$4.50 Doz. \$2.50

Sweet Lavender. Light lavender with purple throat; one of the earliest to bloom and a very attractive variety.

100 \$9.00 25 \$2.50 Doz. \$1.50

Trudel Grotz. Glowing salmon pink with small red blotch in throat; enormous flowers on strong stems. Good, strong, healthy grower.

100 \$25.00 25 \$6.50 Doz. \$3.50

Veilchenblau. Deep violet blue, much larger than Baron Hulot, and perhaps the finest in its color class.

100 \$95.00 25 \$24.00 Doz. \$13.00

White Giant. Tall, sturdy spikes displaying very large white flowers of great substance. One of the largest and best white Gladiolus.

100 \$12.00 25 \$3.50 Doz. \$2.00

Yellow Wonder. Pure soft yellow; large flowers without any markings. Strong, healthy grower. *New German variety.* \$1.75 each.

Virginia. Flaming scarlet, large, massive flowers, many open at a time, making a gorgeous display of dazzling red.

100 \$5.00 25 \$1.50 Doz. \$5c.

NEW SCOTCH GLADIOLUS

Originated in Scotland

These are really sensational in every way; tall, massive spikes showing many flowers open at one time.

Berty Snow. Strong, upright spike showing 6 to 8 very large, fully developed flowers open at one time; lovely, light rosy lavender with white blotch in throat.

David Airdrie. Strong and vigorous, with 8 large bloom^s open at once; rich, deep rose tinted with yellow in throat.

King George. Glowing scarlet with contrasting yellow throat 8 flowers open at one time. A strong grower of special merit.

Lillie. Pale mauve, suffused with small white blotch; long, wiry flower spikes rigid and upright.

Marvel. Immense flowers, well placed on sturdy stems; white, edged with pink; canary yellow throat. *Truly a marvel.*

Mrs. Galbraith. Magnificent blooms of rich salmon; pale yellow throat penciled and spotted with rose; 6 to 8 fully expanded flowers at one time.

Price: Any of above Scotch varieties, Doz. \$23.00 Each \$2.00

CHOICE PRIMULINUS HYBRIDS

and Rare Hybrids

Annie Laurie. Heavily ruffled, delicate pink washed over with light rose pink and with light heliotrope lines in throat. *One of the most exquisitely beautiful Gladiolus in existence.*

100 \$25.00 25 \$6.50 Doz. \$3.50

Butterboy. Clearest buttercup yellow, large open flowers on tall, straight stems; very vigorous plant.

100 \$7.00 25 \$2.00 Doz. \$1.25

Carara. Creamy white on tall, erect stems. Good for contrast

100 \$10.00 25 \$2.75 Doz. \$1.50

Copper Bronze. Deep salmon bronze orange overlaid with a coppery shade, tips of petals deep bronze. Unique and dazzling.

100 \$19.00 25 \$5.00 Doz. \$2.75

Dorothy Wheeler. Pure delicate rose pink, the flowers are well placed on slender, graceful stems.

100 \$6.00 25 \$1.75 Doz. \$1.00

Jewell. Light salmon pink with beautiful golden yellow throat; large, wide open flowers; good stems; most attractive sort.

100 \$6.00 25 \$1.75 Doz. \$1.00

Mrs. Calvin Coolidge. Very soft salmon rose pink, lower petals creamy yellow bordered same shade of pink as upper petals. *A Grandiflora Primulinus*, unsurpassed in its class.

Doz. \$15.00

Orange Queen. Apricot orange, a color that does not exist in any other variety; open flowers on good stems. Considered one of the finest of recent introduction.

100 \$9.00 25 \$2.50 Doz. \$1.50

Patricia Carter. Softest light shrimp pink; no markings whatsoever; one of the best *Primulinus* ever introduced. A real beauty.

100 \$75.00 25 \$20.00 Doz. \$11.00

Primunella. Grand ruffled Butterfly or Orchid type, orange saffron with yellow; very beautiful and one of the best.

100 \$9.00 25 \$2.50 Doz. \$1.50

The Orchid. A new type of Gladiolus. Petals slightly notched and ruffled; color is orchid over white with rose lilac feathering in throat. *The most Orchid-like Gladiolus in the world.*

100 \$18.00 25 \$4.75 Doz. \$2.50

Topaz. Buff orange, pure self color; tall, graceful spikes. Very attractive.

100 \$6.00 25 \$1.75 Doz. \$1.00

long, stiff stems. *One of the finest pure rose
pink sorts ever introduced.
Tuber \$10.00 Plant \$6.00*

Mrs. Kenyon. *Dec.* **Salmon.**
A charming shade of salmon pink. Large
exhibition blooms beautifully formed and
on stout, strong stems. The cut flowers are
long lasting. A grand exhibition sort.
Tuber \$5.00 Plant \$2.50

Spirit of St. Louis. *Dec.* **Rose.**
'American Beauty' Rose color; splendid,
large blooms supported with strong stems.
A very choice sort.
Tuber \$5.00 Plant \$2.50

Treasure Island. *Dec.* **Apricot.**
A charming combination of apricot, gold
and rose shades; one of the most lovely.
Good, large blooms of exhibition quality.
Strong stems and healthy growth.
Tuber \$5.00 Plant \$2.50

Watchung Wonder. *Dec.* **Red.**
A brilliant scarlet red touched with gold
in the center. An outstanding variety in
any first class collection.
Tuber \$7.50 Plant \$4.00

White Empress. *Dec.* **White.**
A splendid, large pure white; vigorous
growth, good stems and has long lasting
qualities when cut.
Tuber \$5.00 Plant \$2.50

Yellow Beauty. *Dec.* **Yellow.**
A seedling of Jersey's Beauty, possessing
the same splendid stem, fine form and
vigorous healthy habit of growth.
*The yellow Jersey's Beauty.
Tuber \$5.00 Plant \$2.50*

BABY DECORATIVE (Rosette Type)

The following three varieties are gems for
cutting purposes and are splendid types
of the new small flowered Decorative class.
These varieties should be in every collection.

Irene. **Old rose.**
A charming, small flowered Decorative
Dahlia belonging to the rosette or minia-
ture class. The blossoms are only 2 to 3
inches in diameter. The color is an exqui-
site shade of old rose; splendid for cutting.
Tuber \$1.00

Little Jewel. **Peach pink.**
One of the daintiest of the new race of
baby Dahlias. Blossoms are about
2½ inches in diameter, absolutely perfect
in form and of a most entrancing shade of
peach blossom pink.
Tuber \$1.00

Pink Pearl. **Rose pink.**
A new miniature flowered Decorative
Dahlia from England. The color is a
deeper shade than that of "Little Jewel."
The blossoms are carried erect on thin,
wiry stems. A charming variety for cut
flower purposes and valuable for table
decorations.
Tuber \$1.00

Tubers of Dahlias

are shipped during the early Spring
months. If desired for early propaga-
tion, we can make extra early delivery
when requested.

Green Plants

are not shipped out until May and later.

FOR OTHER VARIETIES AND TYPES OF DAHLIAS, PLEASE REFER TO OUR GENERAL CATALOGUE

TRIVETT'S FLOWERING Greenhouse PLANTS

The Following Varieties are Not Listed in Our General Catalogue

AGAPANTHUS UMBELLATUS
Blue Lily of the Nile

AGAPANTHUS umbellatus

(Blue Lily of the Nile)

Splendid decorative plant, bearing clusters of bright blue flowers on stems 3 feet long and lasting a long time in bloom. A most desirable plant for outdoor decoration, planted in tubs on the lawn or piazza.

5 inch pots Each 75c.

BEGONIAS

Argentea Guttata. Foliage of rich green spotted with silver.

Corallina Lucerna. Gigantic trusses of bronzy red flowers, in bloom continuously from April to November.

Haageana. Large trusses of creamy white flowers suffused with pink. The foliage is bold and attractive bronzy green on top; underneath is reddish brown.

Price. Any of the above Each 45c.

For other varieties of Begonias please refer to our General Catalogue

BELOPERONE guttata

(Shrimp Plant)

The curious plant which attracted so much attention at the New York Spring Flower Show. The plant produces long sprays of bloom, brownish pink in color, at the end of each a small white floret. Very odd and attractive.

3 inch pots Doz. \$6.00
5 inch pots Doz. \$18.00

CALANTHE ORCHIDS

EVERGREEN AND FLOWERING SHRUBS FOR THE ROCK GARDEN

ABELIA

Chinensis (rupestris). Hybrid Abelia. The graceful, arching stems are clothed with dark, glossy, nearly persistent leaves; white flowers tinged with pink, about an inch long, borne in profuse clusters from Summer until frost. Strong, pot grown plants. 75c. each

ACER

Palatum atropurpureum (*Blood-leaved Japanese Maple*). A very conspicuous, medium-sized bush or tree with blood red foliage.

8 to 10 in. Each \$2.50
15 to 18 in. Each \$5.00

AMPELOPSIS

Tricuspidata lowi (lowi) (*New Japanese Ivy*). Like *A. veitchii*, it clings to the smoothest surface. Brilliant crimson in Autumn. Pot-grown plants Each \$1.25

AZALEA

Amoena. Flowers are bright rosy purple and are produced in a solid mass in May.

10 to 12 in. Each \$2.50
12 to 15 in. Each \$2.75

Bengiri. Evergreen leaves, rather narrow and slightly concave; nice, compact habit. Flower deep bright red, almost scarlet.

8 to 10 in. Each \$1.75
10 to 12 in. Each \$2.50

Hakalata-shiro. Flowers single, snow white, 1 inch in diameter. Dark green, narrow leaves. 10 to 12 in. Each \$2.50

Hinodegiri. A bright scarlet form of the well known and charming *A. amoena*, but far surpassing it in brilliancy and beauty; a profuse bloomer.

10 to 12 in. Each \$2.00
12 to 15 in. Each \$3.75

Indica alba (ledifolia alba). Pure white flowers; luxuriant grower and profuse bloomer.

10 to 12 in. Each \$1.50
12 to 15 in. Each \$2.00

Kaempferi. Large, beautiful, fire red flowers. Being absolutely hardy it is a fine variety for our climate. Grows tall and bushy.

12 to 15 in. high Each \$2.00
15 to 18 in. high Each \$2.75

Maxwelli. Large, single, carmine red flowers 2 inches in diameter. Low and broad. Very hardy.

12 to 15 in. Each \$2.50
15 to 18 in. Each \$3.00

Mollis. They are quite hardy in this latitude and thrive under ordinary garden treatment, but do best in a protected spot, where partially shaded. Mixed colors.

12 to 15 in. Each \$2.50
15 to 18 in. Each \$3.50

Rosaeflora (balsaminaeflora). Very compact and dwarf grower. Double light orange flowers.

12 to 14 in. diam. specimen Each \$7.50
14 to 16 in. diam. specimen Each \$10.00

BERBERIS

Julianae. Beautiful evergreen variety; very hardy; stays perfectly green during the Winter. Excellent.

10 to 12 in., pot grown Each \$1.50

Verruculosa. Attractive evergreen of medium growth. Shiny foliage, distinctly blue underneath. Forms a compact, low bush.

Pot grown plants Each \$1.00

COTONEASTER

Horizontalis. Curious, dwarf shrub of trailing habit. Fine for rockeries. It is covered with brilliant red berries in Autumn and Winter. The foliage turns to soft tints of red and bronze before falling.

Pot grown plants Each \$1.00

Microphylla. A real prostrate shrub, with small, shiny leaves, longer than those of the former variety and having long hairs beneath. Pretty white flowers are followed by scarlet berries; very showy.

Pot grown plants Each \$1.00

DAPHNE

Cneorum (Garland Flower). A trailing evergreen plant, with narrow, glossy green leaves; flowers fragrant, bright pink, in round clusters at tips of branches, appearing in May and August. All pot grown plants. 3 to 5 in. pots Each 75c. to \$1.50

EUONYMUS

Radicans minimus (kewensis). A rare little trailing plant with very small, round leaves, light green with whitish veins. Always remains close to the ground.

Pot grown plants Each 75c.

JASMINUM

Nudiflorum (Naked Flowering Jessamine). Rich golden yellow flowers. Blooms early.

Pot grown plants Each \$1.00

JUNIPERUS

Depressa (canadensis). Forms broad patches with stems ascending from a procumbent base, rarely exceeding 2 feet in height. As a rockery plant it cannot be surpassed.

12 to 15 in. diam. Each \$1.50

Depressa aurea. Low growing. Tips of branchlets golden yellow.

10 to 12 in. diam. Each \$1.50

Excelsa stricta. Very symmetrical, conical outline. Foliage glaucous and arranged around the branches in threes, dense and prickly. . . . 8 to 10 in. Each \$1.50

Horizontalis (prostrata). Dull green leaves. Grows rapidly and makes a very pleasing effect when planted on terraces.

15 to 18 in. diam. Each \$1.75

Squamata. Prostrate variety with thick branchlets, ascending at the apex; foliage crowded, grayish or bluish green; bluish black fruit. 12 to 18 in. diam. Each \$2.25

LEUCOTHOE

Catesbaei (Andromeda). A valuable shrub for planting under trees, on the margins of woodland drives, and in other shady positions. Flowers are fine white and are borne in long, pendulous racemes, with a characteristic fragrance. The shining foliage is evergreen. 12 to 18 in. Each \$1.75

PICEA

Glauca conica (Dwarf Alberta Spruce). Very rare. A charming, compact, cone-shaped evergreen with very dense foliage and of slow growth. Invaluable for formal effects and rock gardens.

10 to 12 in. Each \$3.75
12 to 15 in. Each \$5.00

PIERIS

Japonica (Andromeda japonica). Leaves toothed, crowded at the ends of the shoots. Panicles of buds dull red, opening white in Spring. Foliage spotted bronzy red in Winter. 12 to 15 in. Each \$2.00

PINUS

Mughus (Dwarf Mugho Pine). Distinct; of compact and prostrate habit, with the tips of branches ascending; the leaves are twisted slightly.

10 to 12 in. Each \$2.50
12 to 15 in. Each \$3.00

RETINOSPORA

Filifera aurea. Most attractive, bright golden form, of similar habit to its parent.

12 to 15 in. Each \$2.50

RHODODENDRON

Boule de Neige (Dwarf). White.

15 to 18 in. diam. Each \$5.00

Carolinianum album (White Carolina Rhododendron). Small, narrow, dark green leaves. White flowers in May.

12 to 15 in. Each \$3.00

Micranthum (Manchurian Rhododendron). Very distinct species. Clusters of small white flowers. Perfectly hardy.

18 in. Each \$2.50

SCIADOPITYS

Verticillata (Japanese Umbrella Pine). Very long leaves, much wider and thicker than those of other conifers, shining green above and a line of white underneath; they are deeply grooved on both sides and are borne at the ends of the annual shoots.

15 to 18 in. Each \$7.50

TAXUS

Repandens. This is the hardest of all prostrate varieties, and will grow in almost any position. The slender, pointed leaves gently curve upward, and are of a lustrous green. . . . 12 to 15 in. Each \$2.50

Nana (brevifolia). Really an excellent Yew, with fine, spreading branches and rich, deep green, short leaves.

12 to 15 in. Each \$3.00

THUJA

Little Gem. Very dwarf; grows broader than high; the flat branchlets are of a satisfactory green.

10 to 12 in. Each \$2.75

ORNAMENTAL EVERGREENS AND CONIFERS

Group planting of **RETINOSPORA**

PINUS austriaca (Austrian Pine)

THUJA occidentalis
(Common American Arborvitae)

BOXWOOD (*Buxus*)

Sempervirens (Common Tree Box). A large shrub with thick, leathery dark green leaves. Bears shearing well and can be shaped in any form desired.

Bush Form. In various sizes.

Each \$2.00 to \$15.00

Pyramids. In various sizes.

Each \$7.00 to \$20.00

BOXWOOD EDGING

Dwarf Box (*suffruticosa*). The well known Box used for edging, and invaluable for that purpose.

4 to 6 in.	100	\$25.00
6 to 8 in.	100	\$50.00

TRIVETT'S NEW AND IMPROVED VEGETABLES FOR 1931

The following varieties are not listed in our General Catalogue

BEANS

The Wonder. An English novelty which we consider to be the finest early long podded variety yet introduced. It is an immense cropper, producing fine, long pods equaling those of *Masterpiece*, but in greater profusion. Especially good for greenhouse culture. *Award of Merit*, R. H. S.

4 qts. (8 lbs.) \$5.75 Qt. (2 lbs.) \$1.50 Pt. (1 lb.) 80c.

Trivett's Ideal Pole. The earliest and most productive *green podded Pole Bean*, as early as many of the bush sorts. Produces an immense crop of handsome pods in clusters. The tender, green pods are long, slender, round in shape and stringless when young. Without question this is the finest green podded Pole Bean we can offer.

4 qts. (8 lbs.) \$5.50 Qt. (2 lbs.) \$1.50 Pt. (1 lb.) 80c.

Trivett's Early Valentine. Greatly improved Red Valentine, which will eventually supplant the old type. This variety is extra early and stringless. *Highly recommended.*

4 qts. (8 lbs.) \$5.50 Qt. (2 lbs.) \$1.50 Pt. (1 lb.) 80c.

BEET

Oval Gem. This new Beet is oval or egg-shaped, with bronzy green foliage and just the right size for the table. However the real merit of this variety is its splendid quality, dark red, slightly ringed. When cooked the rings disappear, turning the entire Beet to the color of a glowing ruby, melting tenderness, sweet flavor and entire absence of fiber.

¼ lb. \$2.50 Oz. 75c.

T.T.S.

BEAN—Dwarf Green Stringless,
The Wonder

T.T.S.

NEW CABBAGE—Trivett's Satisfaction

NEW CABBAGE

TREATED + SEEDS

Trivett's Satisfaction. A splendid selection, the pointed heads are firm and solid, tender and delicate in flavor. The habit is dwarf with few outer leaves, thus eliminating waste. *Strongly recommended.* (Illustrated.)

Oz. \$1.50 ½ oz. 80c. ¼ oz. 45c. Pkt. 30c.

DON'T STICK TO THE OLD VARIETIES
They eventually "run out"—become exhausted
GROW THE NEWER AND BETTER SORTS

NEW SAVOY CABBAGE

BE MODERN
Grow the New and Improved
Strains of Vegetables

CABBAGE SAVOY

Trivett's Inverness. A high class Savoy which we offer for the first time. Splendid main crop; large, deep green; very solid heads of unsurpassed flavor.

Oz. \$1.25 ½ oz. 70c. ¼ oz. 40c. Pkt. 25c.

CELERY TREATED ☼ SEEDS

Trivett's Dwarf Giant. A distinct variety, dwarf and compact in growth, 15 to 18 inches high, easy to handle and blanch.

This is a Winter storing Celery of unsurpassed quality, pure white with cream colored heart.

The extremely broad, thick stalks are entirely stringless, crisp and juicy, of superior sweet, nutty flavor. *Too brittle for distant shipping.*

Oz. \$5.00 ½ oz. \$2.75 ¼ oz. \$1.50 Pkt. 50c.

Trivett's Giant Red. A large Winter keeping Celery of great merit, very vigorous grower and great solidity of stems; although immense in size and growth this Celery has the most delicious table quality, crisp, sweet, nutty flavor.

Oz. \$3.00
½ oz. \$1.75
¼ oz. 95c.
Pkt. 25c.

NEW CARROT

Trivett's Scarlet Wonder. Cylindrical-shaped, ending with abrupt blunt point, almost entirely free from core; the flesh is vivid scarlet red, tender and delicate in flavor. The roots mature early, usually attaining a length of 4 or 5 inches. When bunched they present a very attractive appearance.

¼ lb. \$3.50 Oz. 95c. ½ oz. 50c. Pkt. 35c.

"A Wonderful Sweet Corn!" This is the general comment of our customers regarding our

SWEET CORN

Trivett's Tangerine. Many have reported gathering the ears two weeks in advance of Golden Bantam, and the quality—*Supreme!* See our General Seed Catalogue.

CUCUMBER

Longfellow. This remarkable variety produces handsome fruits, 12 to 14 inches long by 2½ inches in diameter; flesh white and firm.

Fruits of Longfellow have been grown in the open so perfect as to be indistinguishable from the hothouse produce.

¼ lb. \$1.50
Oz. 50c.
Pkt. 20c.

CUCUMBER—Longfellow

EGGPLANT TREATED + SEEDS

Trivett's Round White. The special merit of this white sort is the very refined, delicate flavor, much preferred by many to the black or purple varieties. The fruit does not grow as large. $\frac{1}{4}$ lb. \$3.00 Oz. \$1.00 $\frac{1}{2}$ oz. 55c. Pkt. 25c.

LETTUCE

Sutton's Nonsuch Cos. One of the best; the head is compact, crisp and very sweet in flavor; stands for a considerable time before running to seed. (*Sutton's Seed.*) Pkt. 75c.

Sutton's Tom Thumb. (*Sutton's Seed.*) An excellent dwarf Cabbage-headed Lettuce, similar in habit to *Sutton's Commodore Nutt*, but of paler green. The plants can be grown close together and are suitable for outdoors, frames or greenhouse. The small, tightly packed hearts supply an agreeable surprise by their superior quality, that delightful flavor which American visitors have found in Lettuce served to them in England and the Continent. (*Sutton's Seed.*) ... Pkt. 60c.

MARTYNIA

The young and tender seed pods provide a delicate, fancy pickle when gathered less than half grown. ... Oz. 75c. $\frac{1}{2}$ oz. 40c. $\frac{1}{4}$ oz. 25c. Pkt. 15c.

MELON TREATED + SEEDS

Oka. *New Cantaloupe.* This is a variety secured from Canada; it is of the Hackensack shape, a cross between *Montreal Market* and *Banana*; pink flesh and small seed cavity. It was originated by the Rev. Father Athanase of the Trappist Monastery at La Trappe, Quebec. It is recommended as a quick maturing, short season Melon of excellent quality. ... Oz. 75c. $\frac{1}{2}$ oz. 40c. Pkt. 25c.

ENGLISH GREENHOUSE MELONS

Sutton's Scarlet Hero. A new variety procured by crossing *Sutton's Hero of Lockinge* with *Sutton's Scarlet*. A splendid scarlet fleshed form of the popular "Hero." We can recommend this new variety to growers of choice greenhouse Melons with every confidence. (*Sutton's Seed.*) Pkt. \$1.25

Sutton's Emerald Gem. A magnificent Melon, fruit very handsome, flesh unusually thick and of a rich green color; superb in flavor. (*Sutton's Seed.*) ... Pkt. \$1.00

ONION TREATED + SEEDS

Trivett's Long Keeping. A new sort of excellent merit, long shaped, rich nut brown skin; first-class Winter keeper. The flesh is exceptionally mild and sweet. (*Illustrated.*) $\frac{1}{4}$ lb. \$2.50 Oz. 75c. Pkt. 25c.

Trivett's Yellow King. A new sort; the largest and finest on the market; of globular shape, with yellow skin. The quality of the flesh is unsurpassed. Can be grown to an immense size for exhibition One of the best for garden culture. (*Illustrated.*) Oz. \$1.75 $\frac{1}{2}$ oz. \$1.00 Pkt. 35c.

PARSNIP

Invicta. A Carrot leaved Parsnip of very refined quality. Long, clean shaped roots with smooth white skin and firm, tender flesh, disease resistant and vigorous grower. $\frac{1}{4}$ lb. \$2.50 Oz. 75c. Pkt. 25c.

PEPPER TREATED + SEEDS

Sweet Apple. Introduced by us 1929, through the courtesy of a gardening friend. Round-shaped fruit, small in size, of the most agreeable, mild, sweet flavor. Pkt. 50c.

Tomato-Pepper. (*Or Squash Pepper.*) Upright growth, small Tomato shaped fruit, mild flavor. Oz. 75c. $\frac{1}{2}$ oz. 40c. Pkt. 15c.

Tobasco. A hot Pepper, perhaps the hottest of all. Oz. 90c. $\frac{1}{2}$ oz. 50c. Pkt. 20c.

GROW THE NEW AND IMPROVED SORTS

TRIVETT'S NEW GARDEN PEAS FOR 1931

TREATED  SEEDS

OLD VARIETIES "RUN OUT" — KEEP UP-TO-DATE — GROW THE NEW SORTS

Standard varieties of vegetables reproducing themselves year after year through a long period of time, eventually "run out," exhaust themselves and become superseded by the newer and improved strains.

We are constantly on the watch for new and improved strains to offer our customers.

NEW EARLY PEAS

Aviator. Raised by Messrs. Laxton of England. Quite distinct and combines all the best qualities of two very popular sorts, viz., *Laxton's Superb* and *British Lion*. It is a blue, round-seeded sort, hardy and can be sown very early; it is a first early variety growing about 3½ feet high, produces handsome, long, well filled pods containing seven to ten peas of unsurpassed quality. Highly recommended (*English grown seed*).

4 qts. (8 lbs.) \$7.00 Qt. (2 lbs.) \$1.80
Pt. (1 lb.) 95c.

Trivett's Abundance. We have pleasure in offering our customers this grand new early Pea. A round, blue seed sort maturing at about the same time as *Gradus*, but producing about 25% more crop. Hardy, strong growing vines about 3 feet in height, covered with good sized pods, containing 7 to 8 green peas of superb sweet flavor. *Can be sown early.*

4 qts. (8 lbs.) \$5.00 Qt. (2 lbs.) \$1.35
Pt. (1 lb.) 75c.

Greenmantle. New and distinct Pea of the *Superb* type, but having intensely dark green foliage. Pods mostly in pairs, 3½ to 4 inches long, dark green, 7 to 8 large green peas in pods; of good flavor; a heavy cropper. Height about 2 feet.

4 qts. (8 lbs.) \$7.00 Qt. (2 lbs.) \$1.80
Pt. (1 lb.) 95c.

SECOND EARLY PEA

Sutton's Phenomenon. This splendid Pea is regarded by many as being one of the finest dwarf Peas ever introduced. The crop produced is quite prodigious and the pods are of extraordinary size, no other dwarf sort can surpass it in size of pod; 9 to 12 peas in a pod. The table quality is very choice. Height about 2 feet.

4 qts. (8 lbs.) \$7.00 Qt. (2 lbs.) \$1.80
Pt. (1 lb.) 95c.

T.T.S.

NEW EARLY PEA—Aviator

NEW MAIN CROP PEAS

Trivett's Monster. A grand new sort; midseason, producing very large, rich, dark green pods which are filled with exceptionally large peas, blue green in color and of unsurpassed table quality. When cooked this sort will be found to contain the genuine rich sweet marrowfat flavor. The vines are of vigorous, healthy growth, reaching a height of about 5 feet. Being a wrinkled sort, it should not be sown too early. *Stock very limited.* ½ pt. pkts., each 95c.

Onward. One of the best of the recent introductions. Coming in just ahead of *Telephone*. It is immensely productive with its handsome dark green pods produced in great profusion on sturdy, healthy vines which grow about 2½ feet in height. The blunt-nosed pods hang in pairs and are very tightly packed with peas of delicious, sweet flavor. A distinct and excellent variety. *Highly recommended.*

4 qts. (8 lbs.) \$4.25 Qt. (2 lbs.) \$1.10 Pt. (1 lb.) 60c.

T.T.S.

NEW RADISH—Trivett's Scarlet Ball

NEW RADISH

Trivett's Scarlet Ball.

(Illustrated.) The color is rich glowing scarlet. Perfect ball shaped with practically no tap root and very small foliage. The flavor is unusually crisp and sweet.

If required for forcing this sort will be found much superior to most of the older red varieties. The roots are remarkably quick in forming.

Lb. \$4.00 $\frac{1}{4}$ lb. \$1.25 Oz. 50c. Pkt. 20c.

A full list of all the finest varieties of Radish will be found in our General Seed Catalogue. A copy will be gladly furnished on request.

NEW SQUASH

Giant Straight Neck. A valuable selection from the *Giant Summer Crookneck*, having all the good qualities of its parent with none of its defects. The fruits measure about 18 inches in length, are of deep orange yellow color, warted and with much thicker flesh and more meaty neck than the old type. There are several strains of this being offered. *The one we offer is the genuine type and is secured by us from the originator.*

Lb. \$5.00 $\frac{1}{4}$ lb. \$1.50 Oz. 50c.

NEW TOMATOES TREATED + SEEDS

Marglobe. *New disease resistant*, distinct variety which has proved its value under different conditions of soil and weather. Produces a maximum crop of large, well rounded, bright scarlet fruit; very solid flesh and excellent eating qualities. It is second early in maturing and the plants are medium large and erect. The foliage shades the fruit, thus preventing sun scald. *The best of the new disease resistant varieties.* SPECIAL STOCK.

Oz. \$1.00 $\frac{1}{2}$ oz. 60c. $\frac{1}{4}$ oz. 35c. Pkt. 20c.

Heterosis. The most prolific sort in existence. Will yield about 25% more than any other variety. The vigorous plants produce double clusters of 20 to 25 fruits together. The flavor is exceptionally fine and agreeable. The plants are best cultivated on one single stalk and in this way an immense production will be obtained (as seen by the photograph.) *We must especially call attention to the fact that this variety was created by the "Heterosis" method of hybridization; in other words, first generation seed. The seed we offer is crossed each year. If this is not done, a worthless mixture would be the result.* (Originator's seed.) 5 pkts. \$2.25 Pkt. 50c.

Carter's Fruit. (Raiser's description.) We have at last produced a Tomato perfect in outline (from a cross between *Sunrise* and *Ponderosa*). It is a heavy cropper, but more important, it is most fleshy and contains very little seed, practically the whole of the space being taken up by the well flavored flesh. The average fruit is about the size and shape of a tennis ball. Another advantage, which is of great value for culinary purposes, is that the skin is very easily removed. As a cooking variety it is unique, the shape and solidity of the flesh making it particularly suitable for all dishes where the fruit has to be stuffed. Slice *Carter's Fruit* from the stalk downwards; peels like a Peach and can be eaten like an Apple. Pkt. \$1.00

PLANT TUBS

Highest Grade

Much can be said in praise of the wood our tubs are made from, namely, "Heart Cypress," but briefly, it has proved to be decidedly superior to all other woods, not only in durability but in appearance. It does not need a coating as a filler, as the wood naturally contains a certain amount of oil. Consequently it does not warp, shrink or swell, and in general it is *the* wood for plant tubs.

The workmanship on these tubs is equally good. No tub goes from the shops that has not been thoroughly made, and made to last for years, and our tubs are serviceable for practically every situation.

If you need tubs, buy good ones, and they will last you for many years. Most tubs, of course, look alike when they are freshly painted, but it is only after using them that their value can be realized.

A Special Line, for People Who Demand the Best

For the Regular Standard Grade Tubs Please Refer to Our General Catalogue

Square Tub, No. 1

Square Tub, No. 1

Straight sides, iron bands, iron feet, ball tops, painted green, iron bands painted black.
